## ***Rules of the road are for Everyone!!*** by Mayor Ben Lucarelli

**A**s winter eventually turns to spring bringing warmer weather, the change of season will bring on more outdoor activity. More and more people will be taking to the road – whether on foot, bicycle or car. I urge all to be mindful of their responsibilities and to be courteous when sharing the road. The right of priority on the road evolves from the first use – pedestrian, bicycle, auto. Courtesy is Contagious!

**A few simple rules to follow . . .** Pedestrians – Feet go against, never turn you back to traffic; Wheels go with wheels and cyclists travel in same direction as cars, riding single file or two abreast when practical (as far to the right of the road as the cyclist deems safe). Cyclists should always wear a helmet. Motorists be patient . . . yield to pedestrians in the crosswalks and be careful when passing a cyclist. Remember to slow down and pull to the side of the road when approached by an emergency vehicle.

### **CAN YOU HEAR US NOW?**

When I was in elementary school, I remember lying in bed on many snowy winter nights listening to my hometown's plow trucks going up and down my street. How my siblings and I loved that sound, as it was sure to be followed by an early morning wakeup, with an ear to our radios just waiting for WJLK to announce that St. Catherine's School, Spring Lake would be closed. Many years later, I still live on that same block and I still hear those same plow trucks. Only now, they bring me a different sort of comfort. The comfort of knowing that if there were an emergency, help would be able to get to the scene and that I will be able to get to work in the morning.

I am sure that the residents of Fair Haven have similar thoughts when they hear the sound of the Borough's Department of Public Works (DPW) trucks in their neighborhoods. I want to recognize and compliment our DPW for doing an outstanding snow removal job this past winter, right up to the middle of March. It is not an easy job to plow snow safely and efficiently, hour after hour, often in whiteout conditions.

Snow removal is just one of the many tasks that our DPW employees perform to help make Fair Haven a great place to live. Now that spring is upon us, you will see them out and about working in our parks, going up and down our streets collecting our leaves and brush and working hard in our downtown and neighborhoods, just to name a few of their many valuable services that make this town beautiful. We have several new employees in DPW, who were only hired in the past two years. So when you see them, feel free to wave or introduce yourself, as it is always nice to put a name with a face, especially in a small community.

In closing, I want to note that on February 1<sup>st</sup> I began my seventh year as Fair Haven's Borough Administrator. Over the past six years, I have been supported by an outstanding staff and a very informed and engaged Governing Body. I have also received ongoing support and a great deal of very valuable input from many Borough residents and I am very grateful to everyone who took the time to reach out to me. Please know that my door is always open and that I am never too busy to speak to anyone who lives or works in Fair Haven. If you have any comments, questions or concerns, feel free to contact me by calling 732-747-0241, or via my borough email account, [tcasagrande@fhboro.net](mailto:tcasagrande@fhboro.net).

***Best regards, Theresa Casagrande***

### **SPRING Cleaning Time**

The Town Wide Yard Sale is scheduled for May 6<sup>th</sup>. This is a great opportunity to do some spring cleaning so plan ahead.

With regard to spring cleaning, please be mindful of the zone system for brush and leaf pick up. If you employ a yard service, make sure your vendor is registered with the Borough and aware of the schedule and adheres to it or makes arrangements to dispose of the yard waste themselves.

Brush and/or leaves will be picked up, but abiding by the schedule allows our DPW to work in an efficient manner and helps prevent the brush and leaves from entering the storm water system improving the Navesink River water quality and keeping the streets clear for traffic. ***Thank you!***

## Home Security:

With the warmer weather approaching, many homeowners will begin to open their windows and sliding doors to allow the fresh air into their homes. An open window or slider, especially on the first floor, is an easily accessible entry point for any burglar looking for an easy score. Remember to close and lock these windows and doors every time you leave your home, even if it's only for a quick milk run to the Acme. A burglar only needs a few minutes to enter your home and steal your valuables.

## DOGS

Please make sure that your dog is always on a leash anytime it is off your property, especially, when you visit the Nature Trails. Fair Haven has a leash ordinance and everyone needs to cooperate and abide by it. Also, make sure that you always clean up after your dog and update the license yearly at Borough Hall. Contact Police Headquarters @732-747-0991 if your dog does run away from your home so we can contact you in the event someone finds your dog. Also call to report any violations observed.

## CRIME PREVENTION

**Fraudulent Scams-** *There have been reports of residents receiving calls from someone claiming to be part of the IRS and asking for personal information. The IRS will never call you on the phone, (they will only mail out letters). So, if you receive a similar call, it is best not to answer it if your Caller ID identifies the organization. If you do answer, ask them to send their information by mail and hang up.*

**Solicitors-** *If a solicitor comes to your door, please ask them to see their ID and permit. Never let anyone in your home and report the incident immediately, as the police will know who is permitted to be in town soliciting.*

## Special Needs Registry

In April 2016, the Monmouth County Special Needs Registry website began accepting new registrants. The goal of the registry is to ensure all Monmouth County residents who have special needs are able to get the help and support they need in a time of emergency or during interaction with Law Enforcement, Fire or EMS personnel. It is open to any person who has a physical or mental impairment that substantially limits one or more major life activities due to a physical and/or intellectual disability. Further information can be obtained at [www.MCSNRNJ.org](http://www.MCSNRNJ.org) or contact our SNR liaison Patrolman Eric Patton at 732-747-0241 x333 or [epatton@fhhboro.net](mailto:epatton@fhhboro.net).
