AND THE STREAK GOES ON AND ON

To the joy of all and the amazement of many, Fair Haven Day's perfect weather lucky streak is still intact.

As you can imagine, the Borough always has a contingency plan in place for rain or thunderstorms, but for the sixth year in a row, the weather for Fair Haven Day has been nothing short of spectacular. More important than the weather, as in the past, with the exception of the assistance numerous Borough employees, Fair Haven Day was successfully orchestrated by a very small group of very hard-working volunteers. The Foundation of Fair Haven not only provided the majority of the funds for this wonderful community celebration, they coordinated the entire event with nearly an all-volunteer crew, as listed below. I can say for certain that Fair Haven Day would never be possible without their collective hard work and dedication.

FAIR HAVEN DAY COMMITTEE:

DJ Breckenridge, Councilwoman Susan Sorenson, Allyson Cinquegrana, Chief McGovern, Audrey Henne, Marie Noglows, Amanda Lynn, Erin Gotch, Nicole Rice, Betsy Koch, Mark Mancuso, Mike Borneo, Tracy Cuje, Peter Maher, James Banahan, Nancy Ostrander, Lauren Porter, Jacquie Rice, Mary Friedman, Art Pavluk

YOUTH MEMBERS:

Hunter Maher, Julia Noglows, Connor Placer

I would like to wish all of our residents a very happy and healthy conclusion to the 2017 summer season. Please be sure to support our very dedicated community volunteers by attending the Fair Haven Fireman's Fair, which will be ongoing from August 25th through September 2nd. I would also like to once again recognize and thank all of the many people who volunteer in this fine community. If you know anyone who you feel deserves special recognitions for their volunteer work in this community, nominations for the Borough's Volunteer of the Year Award can be made by contacting Mayor Ben Lucarelli directly, or through my office.

As always, I want to remind all Borough residents that my door is always open and that I genuinely appreciate feedback from our community members. If you have any comments, questions or concerns, feel free to contact me at my office by calling 732-747-0241 or via my Borough email account, tcasagrande@fhboro.net.

Best regards, Theresa S. Casagrande
Borough Administrator

Library News . . .

June marked the kick-off of our **VACATION READING CLUB** and many exciting activities associated with our theme, **BUILD A BETTER WORLD**. Our lineup included a program from Paleontologists Mike and Roberta Straka, who shared interesting dinosaur facts as well as fossils they uncovered on their "digs." They guided us on a "dig" in which we discovered fossils and then we raced to reconstruct a triceratops.

The following week, **MIDDLETOWN DUCK DONUTS** sent two helpers to teach us how to construct a donut paradise of our own. We built chocolate iced donuts with chocolate sprinkles, Oreo bits and rainbow sprinkles, strawberry-iced donuts with rainbow sprinkles and vanilla-iced donuts with the works! We thank Duck Donuts for donating their time and their delicious donuts!

Later in the month, we moved on to some mind-bending activities as we tried our hand at building with **LITTLEBITS**, building sets with electrical circuits. Working in pairs, the children built a fan, a flashlight, a siren and blinking lights and then experimented with combining many of the elements together. The following week, **BRICKS FOR KIDZ** returned with a wonderful program in which a group of twenty children worked together to construct a cityscape with LEGO bricks. The outcome was a five by five foot city that included parks, gardens and skyscrapers.

July followed along with **BIRD HOUSE BUILDING** taught by Matthew Bufano our chief bird house builder and Fair Haven Fire Company member. The children had a great time working with wood and hammers and taking the finished structure home with them. We sincerely thank Matthew Bufano for all his "bird house" building skill. And a big thank you to Home Depot for donating the bird house supplies. After that, July continued with **Marshmallow Structures** using our imagination to build designs and structures all deliciously edible. **SHARK WEEK** came next with stories and craft about these fascinating creatures. We finished July up with a movie matinee and a relaxing yoga session!

Morning programs during the summer are family programs for all ages. To engage all age groups and to encourage parent/adult interaction with the children, we incorporated more music, using shakers, rhythm sticks, movement with scarfs, parachute time, a tunnel and new toys. These activities are being rotated in with crafts, DUPLOS, and games, and were very well received.

GARDEN CLUB OF FAIR HAVEN NEWS

The Garden Club of Fair Haven is looking forward to another exciting and informative year of community projects, programs and education. There are many opportunities for member involvement including learning and exhibiting floral design and horticulture; maintaining the town planters at Memorial Park, Borough Hall, Bicentennial Hall, McCarter Gate and the police station; sponsoring and supporting the junior gardening club; creating Mobile Meals tray arrangements; recognizing local businesses' efforts at beautification and much more.

The GCFH awards a scholarship annually to a Rumson-Fair Haven student or a student resident of Fair Haven who plans or is presently attending an accredited college and is majoring in Horticulture, Environmental Science, Landscape Design, Botany or allied subjects.

The club recently awarded a \$2000 scholarship to Noah Tucker. Noah is a June graduate of Rumson-Fair Haven Regional High School. He has been accepted at Miami University and plans to continue his education by majoring in Ecosystem Science and Policy.

The year begins on September 6, 2017 with a program TBD. A Small Standard Flower Show will be held October 4, 2017. The name of the show is "Amazing Autumn" and will feature a variety of Horticulture classes as well as 3 design classes. While entries are only open to members of the GCFH, the public is invited to view the show from 1-3 pm on October 4.

GARDEN TIPS FOR AUGUST:

- >Order peony roots and fall bulbs so they will be ready for planting
- >Plant late season annuals to add color to the fall landscape
- >Vegetable gardeners can start the fall crops, but be sure to protect the plants from the sun with adequate shade.

DID YOU KNOW:

>**HONEYBEES are being poisoned by pesticides** called neonics. Without bees, many of the plants and trees that produce the fruits and vegetables we eat will not be pollinated. The GCFH invites anyone interested in Horticulture, Design, and garden education to join us! Residency in Fair Haven is not a requirement.

WAY TO GO SHOVELERS!!

On May 21st, the Fair Haven "Be A Good Neighbor" Committee hosted a party at Umberto's Restaurant for the 6th to 8th grade Knollwood School students who volunteered to shovel snow for Fair Haven Seniors who have been advised not to, or cannot, remove snow from their sidewalks. These students responded to this need and took responsibility for the safety and peace of mind of "their" Seniors, a vital assistance for many Seniors.

The Seniors were also invited and everyone enjoyed the food and "Make-Your-Own-Sundaes". The event was also supported by Umberto's, Fairwinds, Tavolo Pronto, Fair Haven Acme, 1st Constitution, TD Bank, Walgreen's and Little Silver Family Pharmacy.

With the continued support of the Knollwood School administrations and shovelers' parents, the committee plans to continue the program for the 2017-2018 Winter season.

"Wall of Honor"

It is with great pride that Knollwood School displays the pictures of graduates who are serving their country on active duty in the Armed Forces of the United States of America. These young men and women have chosen sacrifice and service to their country and are not forgotten as they protect our way of life. This "Wall" reflects that dedication and honors their service. In a continuing effort to keep this display current the committee reaches out to the community to solicit any information about Knollwood graduates who are currently serving. Lets honor and not forget those Knollwood graduates who protect our way of life on a daily basis.

Fair Haven Fields Natural Area Late Spring 2017 Nature Walk

May 27, 2017 – Ecologist Bill Shadel once again shared his boundless knowledge with the participants of the Late Spring Walk/Talk at Fair Haven Fields Natural Area. Two dozen residents from Fair Haven, Red Bank, and Little Silver came out to enjoy a beautiful spring morning.

They ranged in age from nine months to 90 years and everyone learned something new and thought-provoking. Everyone was treated to the captivating blooms of the tulip tree in Morallers' Meadow; vernal pools were observed on the North Trail and one curious turtle in the pond made an appearance. **Thanks to Bill Shadel, Chris Rodriguez and members of the Fair Haven Fields Natural Area Committee for all of their support.**
