## ***Borough Administrator's Notes***

### **FOND FAREWELL AND WELCOME**

For the past six years, our residents have gotten used to seeing a smiling familiar face at the front desk of Borough Hall, in the person of Administrative Assistant/Deputy Clerk, Nancy Calore. I have mixed feelings reporting to you that Nancy has taken a new job in the Avon School District Business Office. Nancy leaves us with nothing but great feelings and well wishes. It was a very difficult decision for Nancy, because she loved her job in Fair Haven; however, ultimately it was the right choice for her and her family, which I totally understood and supported. I will miss Nancy on both a personal and professional level, because along with assisting residents and staff on a daily basis, she was also my confidential secretary. Not only was Nancy very effective in her job, I always knew that she had my back and I trusted her to help keep me on task. On behalf of the Mayor and Council and the residents of Fair Haven, I want to thank Nancy for her years of service and I know that we all wish her well in her new career.

Residents will now find a new smiling face at the front desk of Borough Hall, in the person of Betty Ann Berube. Betty Ann comes to us with a complete Administrative Assistant skill set and a wealth of valuable experience. She has already hit the ground running and I know that she will be a valuable addition to our very talented and dedicated Borough staff. On behalf of the Mayor and Council and the residents of Fair Haven, I wish to welcome Betty Ann and I encourage you to stop by and introduce yourself the next time you are in Borough Hall.

### **RIVER ROAD STREETSCAPE COMPLETED**

I am very pleased to report that the Borough has nearly completed the very well designed River Road Streetscape Project, which has completely connected and revitalized the entire down town area. The third and final phase of this project, which is nearing completion as I write this article, is the Streetscape East portion, which extends from Oak Place east to the Rumson border. The great majority of the funding for the Borough's three streetscape projects came from over 1.3 million dollars in grants, which were awarded to the Borough over the past five years.

My predecessor, Mary Howell, Borough Engineer, Rich Gardella, and the members of the Fair Haven Governing Body, past and present, are to be commended for having the vision, skill, and dedication, to bring all three phases of this very worthwhile project to fruition, at minimal cost to Borough taxpayers.

## FAIR HAVEN DAY CELEBRATION UPDATE

The Borough of Fair Haven will be celebrating **“Fair Haven Day”** on **Saturday, June 13, 2015**, from 3:30 p.m. to the conclusion of the fireworks. This year the music will be provided by River Road Band and Juke Box Criminals. Food options will include a picnic by Brennan’s, seafood from Lusty Lobster and desserts from Booskerdoo.

Tickets will be sold at Borough Hall beginning Tuesday, May 26<sup>th</sup> on all weekdays through Thursday, June 4<sup>th</sup>. Look for additional times on weekends and the week leading up to Fair Haven Day. Ticket prices, as follows:

- \$10.00 for the Brennan’s Picnic
- \$5.00 for a choice of a Lusty Lobster Seafood Offering
- \$2.00 for a Booskerdoo Dessert

For the first time ever, the Foundation of Fair Haven also has a special **ONLINE ONLY** ticket purchasing opportunity they are calling “Friends of Fair Haven Day 2015.” This is an easy and convenient way for you to donate to this great community event as well as get your tickets early. Please go to the link below to make your donation and to secure your tickets.

We are also pleased to announce that New Jersey American Water will have their “Puddles Van” at the event, providing drinking water for all. In the interest of the environment, as well as eliminating trash on our beautiful Fair Haven Fields, we are encouraging all of our residents to bring reusable sports bottles to Fair Haven Day so that they can be filled with water from NJAW’s Puddles Van.

As in the past, the Foundation of Fair Haven, which is a 501C-3 tax exempt charity, has been raising funds to help offset the cost of the Fair Haven Day activities. If anyone is interested in helping to directly fund this June 13, 2015 community wide celebration, the Foundation of Fair Haven has a variety of Fair Haven Day sponsorships which are available to both individual residents and companies. Please contact Foundation of Fair Haven member, Marie Noglows, at [marie.noglows@comcast.net](mailto:marie.noglows@comcast.net) if you are interested in sponsoring this fine annual event.

Finally, please make sure that you thank the Fair Haven Business Association for sponsoring many extra fun attractions at Fair Haven Day, including face painting and the photo booth. Please also be sure to support our local businesses, as a vital downtown is part of what makes Fair Haven so charming and our business owners need you to shop local to be able to stay in business.

## 13th Annual NATIONAL NIGHT OUT AUGUST 4, 2015

**National Night Out is Tuesday, August 4th @ the Community Center,** behind Police Headquarters. This is the 13<sup>th</sup> year that we are participating in this nationwide event. It's a great night for friends and family members of the community to get together and get to know the Officers of the Police Department.

There are many fun events planned for this year. For more information please contact the event coordinator Det. Stephen Schneider @ 732-747-0241 x331 or [sschneider@fhboro.net](mailto:sschneider@fhboro.net)

## *Beat the Heat!*

Here are some tips for preventing heat-related illnesses:

- Stay in an air-conditioned indoor location (home, public library, shopping mall, or a heat-relief shelter)
- Drink plenty of non-alcoholic fluids regardless of your activity level. Don't wait until you are thirsty, keep hydrated at all times. If you are on fluid restrictions,

consult your doctor.

- Wear loose, light-weight, light-colored clothing and sunscreen
- Schedule outdoor activities carefully and pace yourself
- Take cool showers or baths to cool down
- NEVER leave anyone or a pet in a closed, parked vehicle
- Check on friends and neighbors, especially if they are elderly, and have someone do the same for you and your family

## Crossing Guards Needed

Fair Haven Borough is hiring part-time crossing guards.

For further information please come in to Police Headquarters to pick up an application or contact Ptl. John Koetzner at 732-747-0241 x329.

# Have a Beautiful Lawn with Less Irrigation

## *New Jersey American Water Requests Summer-long Odd/Even Watering in Monmouth County*

**VOORHEES, N.J. (May 6, 2015)** – Spring has finally broken through and temperatures are on the rise. In preparation for the summer season and as lawn irrigation systems are turned on, New Jersey American Water is asking its Monmouth County customers to use an odd/even schedule for outdoor watering to avoid the potential of stringent summertime water use restrictions.

“We ask our Monmouth County customers to adopt odd/even watering for lawn irrigation this summer,” said Kevin Kirwan, senior director of operations for New Jersey American Water’s Coastal Operations. “Odd/even watering now will help us manage a finite supply of water, yet our customers will still be able to maintain healthy lawns and vegetation. In past years, our customers have helped reduce water demands when we’ve asked, and we thank them in advance for their cooperation this year.”

### **The odd/even outdoor water use schedule being suggested works as such:**

- Watering your lawn or garden should occur only on odd days of the month if your street address is an odd number (i.e., 23 Oak St., 7 Maple Ave.)
- Watering your lawn or garden should occur only on even days of the month if your street address is an even number (i.e., 6 Oak St., 354 Maple Ave.)
- It is also suggested that watering of lawns be done early or late to minimize evaporation, typical between 6 a.m. and 9 a.m. and from 5 p.m. to 8 p.m.

### **These suggestions would NOT apply to:**

- Watering of sod or newly seeded lawns if daily watering is required (note: it is recommended that any planting of new sod or seed that has not already taken place be delayed until the fall)
- Use of private wells for lawn irrigation
- Commercial uses of outdoor water, such as for nurseries, farm stands, power washing, plumbing, and commercial car washes
- Watering of athletic fields

While New Jersey American is encouraging efficient outdoor water use at this time, if water demands continue to significantly increase or supplies continue to significantly decrease, formal and more strict water restrictions may be needed to ensure continued water service.

# "Wall of Honor"

It is with great pride that Knollwood School displays the pictures of graduates who are serving their country on active duty in the Armed Forces of the United States of America. These young men and woman have chosen sacrifice and service to their country and are not forgotten as they protect our way of life. This "Wall" reflects that dedication and honors their service. In a continuing effort to keep this display current the committee reaches out to the community to solicit any information about Knollwood graduates who are currently serving. If you have knowledge of any individual meeting this criteria please contact any of the listed committee members below or email [joeotto@aol.com](mailto:joeotto@aol.com) using the subject line "Wall of Honor" and that information will be verified and the subject added to the display. Your cooperation is appreciated. Lets honor and not forget those Knollwood graduates who protect our way of life on a daily basis.
