As we move forward in 2018, the Mayor and Borough Council will focus on the inevitable replacement of two important borough facilities, which are both functionally obsolete and fall short of current building standards and requirements.

To give some historical context, our Police Department at 35 Fisk Street was originally built as an elementary school. The Department of Public Works was constructed in the 1970's as an interim stop gap measure. Both facilities are relied upon today for the safety and well-being of our Borough, in far greater capacities than ever foreseen.

In order to meet this challenge, we plan to realign borough facilities to serve the current and future needs of the borough in a creative and fiscally prudent manner. As plans develop, we will hold a series of public meetings to communicate our design intent and to receive important feedback from residents and local stakeholders.

The Mayor and Borough Council will work tirelessly to ensure that the highest level of integrity and foresight is put into this endeavor. As always, we invite you to our regularly scheduled Council meetings and to contact us directly. All information is posted at <http://www.fairhavennj.org>.

**The FAIR HAVEN POLICE DEPARTMENT** is an Accredited Agency commanded by Chief Joseph P. McGovern and comprised of thirteen full-time Officers, two part-time Class II Special Officers, four part-time Class I Special Officers and two part-time Records Clerks. It is their mission to serve and protect the community with respect, fairness, compassion and commitment to individual rights.

The department provides opportunities for special assignments to make a difference within the community that we serve:

- Emergency Medical Technicians (EMTs)
- LEAD (Law Enforcement Against Drugs) Instructors
- Car Safety Seat Inspection Technicians
- Firearms, Juvenile, Elder Abuse and Sexual Assault Investigation Officers
- Detective Bureau and Traffic Safety Officers
- Members who are part of MOCERT (Monmouth County Emergency Response Team and RDF (Rapid Deployment Force) which are Regional response teams.
- Internship and Police Explorer opportunities to our young community wishing to pursue a career in law enforcement.

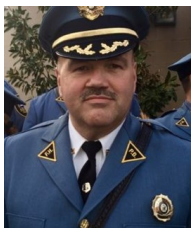

### Some safety tips:

- If you are going away for an extended period of time, please contact our dispatch to be placed on Homes Watch List.
- Keep personal firearms locked and inoperable so they are inaccessible to others within the home.
- Keep your home and vehicle doors locked at all times. Burglaries and thefts are committed mainly when the opportunity presents itself.
- If you see something suspicious, **Say Something**. You can report suspicious activity at any time. With all that is going on in today's society, we all need to work together to be proactive in our community.

To stay up to date on current events and emergency situations please visit the Borough website at [www.fairhavernj.org](http://www.fairhavernj.org) and register for the Nixle Alert System to receive phone calls, texts and emails. Our department is grateful for our partnership with our community and we look forward to continuing to work together to preserve and enhance the "small-town charm" that Fair Haven possesses.

**Fair Haven Office of Emergency Management (OEM)** is led by Chief Joseph P.

McGovern and is comprised of four Officers who are dedicated to the safety of our community during emergency and disaster conditions. OEM coordinates different agencies to work together and are responsible for the Borough's All-Hazard Emergency Operation Plan. The plan outlines how Fair Haven will function during an emergency or disaster. OEM provides a shelter and assists residents as needed, to preserve the safety of life and property and is actively involved with several county projects including the Hazard Mitigation Plan, Registry Ready and a Mass Distribution Plan.

**W**e tried some new things at the library! One was a wonderful visit from Lakehouse Music in Asbury Park for preschoolers. The highlight for everyone was playing all the instruments! For the school age group, we had our first board game program. The children had a great time playing old classics such as Twister, Checkers, Monopoly, Battleship, Jenga and a host of other board games. This was such a hit that we will definitely do it again! Later in the month, we read a new book entitled “If Picasso Painted a Snowman”, which captures the imagination by depicting famous paintings and inserting snowmen in the genre of the artist. After seeing what it would look like if Picasso painted a snowman, we painted our own, with homemade puffy paint! The creations were marvelous! In addition to these new programs, we continued with some “old favorites.” The first week of the month was a visit from our ASPCA Therapy Dogs, and the last week was a yoga wind down with Miss Alice.

Special thanks to Lakehouse Music for visiting us and for providing us with a fun and entertaining music program!

We had a special local visitor for St. Patrick's Day. **Macailagh McCue** shared her talent for Irish step dance with the children. She brought her costumes and showed the children the art of Irish step dance!

In March there was the preschoolers' special St. Patrick's Day program in which they learned how to catch a leprechaun and made leprechaun bait. Also, we cooperated with the Sickles School on a special program for Read Across America (Dr. Seuss' birthday celebration). Every child in grades 1-3 who completed an application with parental approval received a library card and a packet welcoming them to our library.

**Don't forget that we have thousands of eBooks waiting to be checked out on your e Reader! If you would like a helping hand to set yours up or a refresher on how to use your e Reader, stop in and we can set you up.**

The unusual March weather only made things more fun in our Library! In addition to our usual visits from our yoga instructor and therapy dogs, we had some “otherworldly” guests – the 501st Legion, a group of **STAR WARS** costume enthusiasts who have a good will mission to spread happiness to others.

The children (and adults) were thrilled and awed to see Star Wars characters come to life before their eyes! The Legion members talked to the children about their good works and their costumes and posed for pictures.

**I**f you are interested in learning to knit or already a knitter consider joining the library knit group. We meet on Monday afternoons at 1:30 p.m. and have a great group that loves to help out and discuss new knitting trends. We have been meeting for 8 years and would love to have you join us. Crochet is welcome too as are all needle arts. We look forward to meeting you.

We are all looking forward to June when the Summer Reading Program will kick off with a Goody Basket give away, prizes and of course lots of reading! The library also sponsors a Read-To-Me program for the younger set with registration, goodies and a prize at the end. Please call with any questions and Registration for both reading clubs starts on June 1<sup>st</sup>.

—Donna Powers, Library Director

## Summertime Safety

Water safety needs to be practiced at all times. Whether you are at the beach, near a swimming pool or on a boat, make sure that children are watched at all times and flotation devices are available if they do not know how to swim. Practicing water safety will help make your summer more enjoyable and relaxing.

## Attention: New Driver Alert!

The spring and summer seasons are the time of year when many new drivers venture onto our local roadways. For the parents of these drivers, these are understandably nerve-racking times. For the teenage driver, this is their first sense of freedom. Oftentimes, with that freedom, come bad choices which can lead to reckless driving behavior, distracted driving and impaired driving. There are many new vehicles equipped with the technology to allow you to monitor your teen's driving performance, to set speed alerts, radio volume limits, etc. There are also apps for your smartphones that will allow you the same options and more. While technology is advancing, it does not take the place of good driving practices and close parental supervision.

**Parents are the key in creating a safe driver.**

## Probationary Driver's License Requirements

You must observe the following requirements and restrictions while driving with a probationary license:

- No driving after 11:01 p.m. and before 5:00 a.m.
- Parent(s), guardian(s) or dependant(s) are allowed as passengers. A dependant is a permit or probationary driver's child, not siblings.
- Only one additional passenger is allowed unless accompanied by a parent or guardian.
- You can't use cell phones, hand held video games or any other hands-free interactive, wireless communication device.
- Seat belts must be worn at all times.
