## *Message from the Mayor . . .*

### **Dear Fair Haven Neighbors:**

I am quite certain that most of the residents of this fine community have taken note that there is certainly a good deal happening in Fair Haven these days, much of it related to land use and community planning. Most notable and of greatest interest to the community at large are listed below:

- **The development of our River Road business district.**
- **Borough owned facility upgrades and improvements.**
- **The Borough's court ordered affordable housing obligations.**
- **The ongoing efficient delivery of Borough services.**

As I have stated in the past, I truly understand and appreciate the public's right to remain informed and engaged in issues and decisions that will affect their quality of life and/or their local property tax bill. As the elected leader of our quaint little town, I respectfully ask everyone to consider that there are no easy answers to complicated issues. Much of what the Borough is dealing with in the present has been evolving over a long period of time, with mandates and laws that are not controlled at the local level. Whenever you discuss local matters and contemplate the best outcomes, please always keep in mind that the members of our Governing Body and our various Boards and Commissions are all well-meaning and very hard working volunteers, who serve because they care very deeply about our hometown.

We are all well aware that communication has undergone very significant changes over the past decade. Social Media can be a wonderful tool, but there are times when rapid fire social media postings only serve to fuel speculation and misinformation. I honestly don't believe that the majority of our residents want our important public discussions to devolve into online negativity and personal attacks. Varying opinions are a natural extension of public discussions and open dialog often leads to better outcomes, provided we all take the time to listen in a respectful manner and consider all relevant information.

In a sincere effort to lead by example, in addition to our twice monthly Governing Body meetings and expanding our methods of communication, I am going to make myself available to meet with our residents in a regular open-forum format to listen to your concerns and answer your questions. **Starting on Thursday, May 16<sup>th</sup> and every third Thursday of each month afterwards, I will be available in the Council Chambers at Borough Hall from 5:30 pm to 7:30 pm.** As needed, I will ask other public officials to join me to address specific topics. In the meantime, if you have a question or you read a social media post that you aren't sure is true, feel free to call me on my cell phone # 908-489-0855.

Thank you for your thoughtful consideration.

*Mayor Ben Lucarelli*

## **PLANNING AND ZONING UPDATE**

On March 19<sup>th</sup>, the Fair Haven Planning Board adopted the Borough's Housing Element and Fair Share Plan, which is a required element of the Borough's recent Master Plan Reexamination process. As mandated by the New Jersey Supreme Court, all New Jersey municipalities have a constitutional and legal requirement to provide realistic opportunities for the development of affordable housing stock. A full copy of the adopted plan, as well as an abbreviated summary document, can be accessed through the links listed below that are found on our website. Additionally, hard copies of the full plan and the summary are available at Borough Hall.

### **2019 FAIR HAVEN HOUSING ELEMENT AND FAIR SHARE PLAN**

### **INTRODUCTION TO FAIR HAVEN 2019 HOUSING AND FAIR SHARE PLAN**

#### **Following is a synopsis of the process involved in formulating this plan:**

- June 2015 - the Borough retains the Planning firm, Clarke Caton Hintz to facilitate the reexamination of the Borough's Master Plan. The Master Plan was previously reexamined in 2005.
- August, 2016 - the Planning Board adopts the Master Plan Reexamination Report.
- November 2017 - the Borough's Governing Body endorses an Active Transportation Plan, which was developed using a consultant funded by an NJDOT grant.
- January 2018 – The Borough appoints Heyer Gruel and Associates as the Borough's Planner.
- March, 2018 – The Planning Board adopts the Active Transportation Plan as an element of the Master Plan.
- January 2018 – March 2019 the Borough's Housing Element and Fair Housing Subcommittee, which consisted of various members of the Governing Body and Planning Board, along with Borough professionals held ongoing meetings to formulate and revise the plan that before you this evening. Members of the committee included:
  - ◊ **Ben Lucarelli – Fair Haven Mayor**
  - ◊ **Elizabeth Koch – Fair Haven Councilwoman**
  - ◊ **Chris Rodriguez – Fair Haven Councilman**
  - ◊ **Theresa Casagrande – Fair Haven Borough Administrator**
  - ◊ **Rich Gardella – Planning Board Engineer**
  - ◊ **Nick Poruchynsky – Zoning Officer**
  - ◊ **Todd Lehder – Fair Haven Planning Board and Zoning Board**
  - ◊ **Jim Banahan – Fair Haven Planning Board**
  - ◊ **Fred Heyer and Susan Gruel – Fair Haven Planners**
  - ◊ **Sal Alfieri, Esq. – Fair Haven Borough Attorney**
  - ◊ **Jeff Surenian and Associates – Special Legal Counsel for Affordable Housing**
- March 7, 2019 – The Borough's Special Legal Counsel for Affordable Housing files a Declaratory Judgement Complaint in Monmouth County Superior Court, Law Division.

The Housing Element and Fair Share Plan has been adopted by the Planning Board and has been endorsed by the Governing Body. This plan will most likely be amended or supplemented in the future as it is processed through the court-review process. The court process will require both public notice and the opportunity for public comment on any contemplated changes to the adopted plan.

Following the adoption of the final plan, the Borough's land use ordinances will need to be updated to reflect the plan's elements. Once a land use ordinance is in a final draft format, it is introduced at a public meeting then sent to the Planning Board for their input.

The Governing Body is also required to publish each new ordinance and hold a public hearing prior to final adoption. As such, there is still ample opportunity for both the Planning Board and the public to give their input into any and all land use ordinance changes associated with or in connection with this plan.

The Governing Body and the members of the Planning Board welcome the input of all Fair Haven residents throughout the process which will eventually lead to the adoption of a final plan (it must be finally approved by the courts), as mandated by law.

**Theresa S. Casagrande, Borough Administrator**

The Foundation of Fair Haven will once again be hosting our annual community event - Fair Haven Day! Fair Haven Day is a fun family festival with music, food, kid's activities, a beer & sangria garden and more!! It is a fun afternoon into evening, culminating with fireworks.

Back by popular demand, both businesses and residents can help fund this community event by purchasing Fireworks Signs that will be hung on River Road. This is a fun way to help make the day possible and build excitement for Fair Haven Day!

The packages can be found on the website

[www.foundationoffairhaven.org](http://www.foundationoffairhaven.org).

*"We are so thrilled to be bringing this fun event that promotes community to Fair Haven, again in 2019! This event would not be possible without the hard year-round efforts of such an amazing combined group of Foundation of Fair Haven members and Fair Haven Day Committee members - Jacquie Rice, Betsy Koch, Marie Noglows, Mary Friedman, Lauren Porter, Mark Mancuso, Nicole Rice, Mike Borneo, Adam Ludman and Erin Gotch" said Foundation of Fair Haven President and Councilwoman Susan Sorensen. "I cannot thank this team enough for their continued commitment and volunteerism to this community. And let's not forget the volunteers that come out that day to help. We truly could not do the day without them."*

*"We have a great line-up of bands again this year – **Guilty Pleasure, 10-Strings and The Carl Gentry Band** and back by popular demand we will have picnic, seafood and desserts, so please save the date!" said Sorensen.*

**Please check the website later this spring to buy tickets for the great Fair Haven Day food and drinks!**

## ***A Message from the School Superintendent . . .***

As we enter our 4th and final marking period of the year, we look forward to the home stretch of what has been a wonderful school year for our community!

I am so proud to report that our annual school performance reports have been released and the Fair Haven schools did extremely well. The performance reports include many points of information, but official scores are based on two primary data points; how many students were determined to be proficient or advanced proficient for their grade level as well as how much growth students exhibited from last year to this year according to the PARCC testing that occurs at the end of each school year. Our students did extremely well in both areas, resulting in outstanding performance report scores in nearly all areas. The scores were so good, that our own Knollwood School was ranked #3 in the State among all elementary, middle and high schools.

**That is #3 out of almost 2100 schools across the state!**

We also recently underwent the state's full audit process, called the Quality Single Accountability Continuum. The NJQSAC process puts each district through a complete audit reviewing the district's efficiency, effectiveness and compliance in the areas of fiscal management, governance, personnel, operations and instruction and programming. Our initial impressions are that the district did very well in all areas through this review, which speaks to the health of the district.

We look forward to sharing the results of these recent performance reports and NJQSAC audits with the community at an upcoming Board meeting and hope to see you there!

I am so grateful to our staff for all that they have done to get us back to where we belong, which is among the highest performing districts in the state!

**Happy Spring Fair Haven!**  
 Sean McNeil, Superintendent

# Grand Re-Opening of Bicentennial Hall

**FISK CHAPEL**

FISK CHAPEL (BICENTENNIAL HALL) WAS ORIGINALLY BUILT IN 1882 AND DEDICATED TO ITS BENEFACTOR, CIVIL WAR GENERAL CLINTON B. FISK. FISK WAS APPOINTED BY LINCOLN TO THE FREEDMAN'S BUREAU AND RAN FOR GOVERNOR OF NEW JERSEY IN 1880 AND FOR PRESIDENT IN 1888 ON THE PROHIBITION PARTY TICKET.

THE BUILDING IS SIGNIFICANT AS BEING THE OLDEST SURVIVING RELIGIOUS BUILDING ON BUNGION HICK AND FOR ITS ASSOCIATION WITH THE AREA'S FIRST AFRICAN AMERICAN COMMUNITY. ORIGINALLY LOCATED AT 28 FISK STREET IN FAIR HAVEN, IT WAS MOVED TO CEDAR AVENUE IN 1974 IN ORDER TO PREVENT ITS DEMOLITION.

THE BUILDING WAS LISTED ON THE NEW JERSEY REGISTER IN 1974 AND THE NATIONAL REGISTER OF HISTORIC PLACES IN 1975. FUNDING FOR ITS 2008 EXTERIOR RESTORATION WAS MADE POSSIBLE IN PART BY THE GARDEN STATE HISTORIC PRESERVATION TRUST ADMINISTERED BY THE NEW JERSEY HISTORIC TRUST/STATE OF NEW JERSEY.

ONGOING FUNDING FOR THE RESTORATION AND MAINTENANCE OF FISK CHAPEL HAS BEEN MADE IN PART AND CONTINUES TO BE MADE BY THE HISTORIC ASSOCIATION OF FAIR HAVEN, INC.

A Grand Reopening for Bicentennial Hall was held on April 3, 2019. The celebration was purposefully low-key, so it could focus on the history of the Fisk AME Congregation and the dedicated volunteers who worked tirelessly to save and restore this historic building.

Opening remarks were made by Mayor Benjamin Lucarelli, Councilwoman Susan Sorensen, Patricia Drummond, Borough Historian and President of the Historic Association of Fair Haven and Fisk Chapel AME Pastor Thomas Johnson. Also in attendance were several members from the original Fisk Chapel congregation, as well as Borough professionals and personnel.

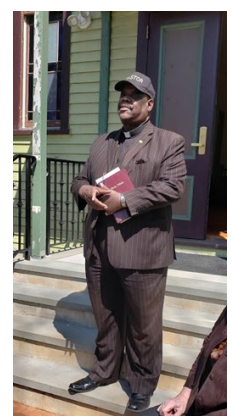

Following are pictures of the reopening celebration, as well as, several before and after pictures that give an overview of the restoration process which was overseen by the Borough's in-house Engineering Department.

**Home Security:** With the warmer weather approaching, many homeowners will begin to open their windows and sliding doors to allow the fresh air into their homes. An open window or slider, especially on the first floor, is an easily accessible entry point for any burglar looking for an "easy score". Remember to close and lock these windows and doors every time you leave your home, even if it's only for a quick milk run to the Acme. A burglar only needs a few minutes to enter your home and steal your valuables.

### Attention: New Driver Alert!

The spring and summer seasons are the time of year when many new drivers venture onto our local roadways. For the parents of these drivers, these are understandably nerve-racking times. For the teenage driver, this is the first sense of freedom. Oftentimes, with that freedom, comes bad choices which can lead to reckless driving behavior, distracted driving and impaired driving. There are many new vehicles equipped with the technology to allow you to monitor your teen's driving performance, to set speed alerts, radio volume limits, etc. There are also apps for your smartphones that will allow you the same options and more. While technology is advancing, it does not take the place of good driving practices and close parental supervision.

**Parents are the key in creating a safe driver. Safe Driving Saves Lives!**

### **PART-TIME CROSSING GUARDS NEEDED!**

Fair Haven Borough is hiring part-time crossing guards. For further information, please come

into Police Headquarters to pick up an application or contact Patrolman John Koetzner at 732-747-0241 x\*329 or [jkoetzner@fhiboro.net](mailto:jkoetzner@fhiboro.net).

### **CRIME PREVENTION**

#### **Fraudulent Phone Scams**

This is the time of year when residents begin receiving phone calls from someone claiming to be part of the IRS and asking for personal information. They may even threaten you with arrest if you don't comply with their requests. The IRS will never call you on the phone. They will only mail out letters. If you receive a similar call, ask them to send their information by mail and hang up. NEVER provide your birth date, social security number, bank information, home address or any other personal information!!!!!!

Another scam that targets our residents, particularly our seniors, is from a person representing themselves as law enforcement. This person will claim to have arrested a grandchild of the victim and is seeking a large amount of money as bail to release the grandchild from custody. This person will often know many details about the victim and the grandchild, such as names of family members, addresses and colleges that they attend. This is information that is easily attainable through internet searches. Don't let your emotions drive you to become a victim. Hang up and call your grandchild or their parents to check on their well being.

Payment for the above scams will often be requested in the form of wire transfers, gift cards and money reload cards.

March 19<sup>th</sup> meeting. The band of 30 members has made appearances in numerous parades and community events. This year the band was awarded the Best Marching Unit in the Rumson St. Patrick's Day Parade. Thank you Brother Frank Byrne for accepting our invitation.

Our group welcomes new (and old) members. Off-street parking available, no stairs to climb. For more information on the Fair Haven Seniors call Susan Delaney, President, 732-747-2246.
