Borough Administrator's Notes

THANKFULLY, HELP IS ON THE WAY

Many years ago, my father had a heart attack in our family home; I still remember the feeling of panic, as my mother and I tended to him, while we waited for help to arrive. To me, from the moment we called 911 to the time our local police and first aid arrived seemed like forever, but in reality it was probably only minutes. However, what I remember most about that day is hearing the sounds of the sirens; initially, they were off in the distance, but I could clearly hear them coming closer and closer. At such a difficult time, what a comfort it was for us to know that help was on the way and that we were not alone.

Many years later, my son is now a member of the very same volunteer First Aid Squad; I sometimes hear his pager go off several times a night and I am reminded that, somewhere in our community, someone is waiting to hear those same sirens, telling them help is on the way. Here in Fair Haven, we are so fortunate to have volunteer First Aid and Fire Departments that are among the finest in all of New Jersey. Our First Aid and Fire Departments have responded to countless calls over the years, many of them involved very serious injuries and dangerous conditions. Tending to a severe injury, coordinating the landing of a helicopter in Fair Haven Fields, going into a burning building, or driving using lights and sirens are all very stressful tasks. I am very thankful and proud to say that, through the combined efforts of our Fire Department, First Aid Squad, Fire Police and our fine Police Department, we can all rest assured that we will be well covered in any emergency. While you may never personally need this level of help, or expertise, to save your life, or property; surely, as a resident of Fair Haven, you can take pride and comfort knowing that the sound of sirens does mean that really qualified help is on the way!

PEDESTRIAN SAFETY

The Borough of Fair Haven has an ongoing commitment to pedestrian safety within the Borough. In 2013 the Mayor and Council adopted a Complete Streets Policy, the goal of which is to improve safety for pedestrians, bicyclists, children, senior citizens, non-drivers and the mobility challenged. We pay particular attention to the safety of our school aged population, the majority of who walk or bike to our two elementary schools. We recently enhanced pedestrian safety in the areas leading to Fair Haven Fields and McCarter Park as part of our capital improvement projects in those parks. Additionally, Mayor Lucarelli is presently working with multiple state and county agencies on a variety of bicycle safety initiatives, for Fair Haven and neighboring communities. On behalf of the Mayor and Council, as well as our residents, I encourage everyone to please be mindful of pedestrian safety at all times.

MUNICIPAL CALENDARS

The Borough is in the process of completing the 2016 municipal calendar; the calendars will be delivered to all Borough households in December. The costs of producing and delivering this calendar are offset by advertisements, which are prominently placed monthly. If you are interested in advertising in our 2016 municipal calendar, please contact Betty Ann Berube at 732-747-0241, extension 219.

In closing, I want to mention that, on a daily basis, I make a point of taking note of the many little things that make Fair Haven such a great place to live; I am honored to be a part of such a great community! If you have any comments, questions, or concerns, feel free to contact me at my office by calling 732-747-0241, or via my Borough email account, tcasagrande@fhhboro.net.

Best regards,

Theresa S. Casagrande, Borough Administrator

Annual Veteran's Day Ceremony

YOUTH CO-ED, NON-TACKLE FLAG RUGBY CAMPS:

This summer, at the Community Youth Center Fields, the RFH Rugby Football Club hosted nearly 80 kids eager to learn the game of flag/touch rugby. Along with Rumson and Fair Haven youths, there were kids from Atlantic Highlands, Little Silver, Shrewsbury and Red Bank in attendance with close to 20 kids joining in on the fun!

The good Mayor of Fair Haven, Ben Lucarelli kicked things off with a few opening words of encouragement and expressed support on behalf of the Borough of Fair Haven for the success of a youth rugby program in town. The camp lasted an hour and a half where the coaches broke the participants down into age groups from K thru 8 running them through several rugby fundamental drills before ending the session with scrimmages.

The kids worked extremely hard and with parents were eager to find out when the next camp would be held. All were treated to t-shirts and popsicles after closing remarks made by Peter Hogan, President of the RFH BY RFC, who organized the event. With strong participation and positive feedback, the next camp will be determined depending on field availability. Details to follow! Stay tuned and be ready to run, pass, and try!!!

Fair Haven First Aid Squad Kicks off its Fund Drive

The Fair Haven First Aid Squad for more than **85 years** has been providing dedicated service to the community and turning to the residents and businesses for its annual fund drive.

Just as area residents and businesses depend on the squad to be there when they call 9-1-1, the organization depends on generous donations from the community to survive.

The Fair Haven First Aid Squad annual fund drive letter was recently mailed to all homes and businesses in the Borough. Each year the **tax-deductible** donations go directly to purchasing medical supplies, equipment and help off-set the cost of keeping members trained to professional standards.

Through your generous donations over the past years, we have now been able to place an order to purchase a new light duty first responder vehicle, a 2016 4-wheel drive Chevy Tahoe (1355), to replace our old 2006 first responder vehicle. The new vehicle will carry all our basic life support equipment including a defibrillator. Total expenses for the new vehicle and modification to carry equipment was about \$65,000. This purchase could not be made without the generosity of the community and their support of our fund raising efforts each year. The addition of this vehicle to our First Aid Squad solidifies our mission to provide the best and safest emergency service to the Borough of Fair Haven. Your continued support is greatly appreciated by all our members

During 2014, we answered **440** emergency calls and donated **2909** man-hours to our activities.

Our members contribute many hours answering emergency medical calls, responding to vehicular accidents, fires, participating in drills and continuing education activities. They also participate in demonstrations for local schools, scouts and other organizations.

The Fair Haven First Aid Squad does not charge for any of its services. Our Squad is actively replacing outdated equipment and adding new equipment that meets or exceeds state standards.

NO CONTRIBUTION IS TOO SMALL!

~ LIBRARY NEWS ~

As our summer came to a close at the library we can reflect on all the fun and educational activities that were available to our patrons during our **Summer Reading Program Event: “EVERY ONE IS A HERO”**.

Our Volunteer Fire Company paid a visit in full regalia as the children were taught about the special equipment and got to tour the gleaming fire truck. Many thanks to our “local heroes” the Fair Haven Volunteer Fire Department, especially Matt Bufano for helping to put the program together.

We had a visit from Tracy Brennan and her therapy horse, Beau. The children were taught about horse care and the therapy riding program and got to feed Beau a special snack of carrots. Later in the month, the Monmouth County 4H Hearts and Horses Club visited. We had a live action story and great facts and information on all things horsey! Then Tracy Brennan visited again with her very special therapy dog Hoagie-a black Lab that listened to stories and gave out some of his very own “pawmade” bookmarks. Then the Super Hero Fitness Camp by Muscleman Mike was a big hit and got the kids up and moving around and learning about good nutrition.

Patrolman Dwayne Reevey visited and described a day in the life of a local police officer and how our police help us in times of emergencies. The children enjoyed meeting Patrolman Reevey and asked him many questions. The children left with a strong sense that they could turn to the police in times of trouble. A big thank to Patrolman Reevey and all the Fair Haven Police Department for their efforts on our part.

August brought our Reading Club to a close with 224 members registered and over 30,000 minutes read. A special celebration with 75 attendees was held on August 11 with a visit from Nature Nick and his special and exotic friends including an Eagle Owl, a very funny marshmallow eating Spider Monkey, and a 3 year old kangaroo called Lulu. It was a great hands on experience for the children and enjoyed tremendously.

Traffic Safety—Reminder that Third Street is closed on school days between 7:30 am-8:30 am and 2:30 pm-3:30 pm. Please find an alternate route and do not cross over Third Street as to interfere with pedestrian and bicycle traffic. Our goal is to keep our children safe as they travel to and from school. Parents are reminded to make sure their children have their helmets on before they ride their bike if they are under the age of 17 years old and that they always stay to the right side of the roadway and ride single file.

Abide by all of the traffic laws including stop signs, speed limits and pedestrian's right of way. This time of year our streets are crowded with vehicle, bicycle and pedestrian traffic. Following all traffic laws is the first step to keeping our roadways safe.

Crime Prevention—Please make sure your house number is visible from the street. In the event that emergency vehicles need to respond to your house or another on your street, this will help to identify the proper address.

Mischief Night—On Mischief Night the curfew is 7:00 pm for anyone under the age of 18 years old and not accompanied by a parent or guardian. Anyone found that night to have anything in their possession that can be used to vandalize property will be in violation. (i.e... toilet paper, shaving cream, eggs, etc...)

Halloween—Safety is our main goal this year. Please make sure your children stay in groups with a parent present. Know the route your child will be taking if they are going with another parent. Make sure all children are visible at night with some form of a light (i.e... glow stick). Report any suspicious activity immediately. Curfew is 8:00 pm for anyone under the age of 18 and not accompanied by a parent or guardian.

Have a Happy and Safe Halloween!!

Foundation of Fair Haven to host OKTOBERFEST 2015 -a fundraiser for future Fair Haven Days

The Foundation of Fair Haven is once again hosting the very popular and 4th Annual Oktoberfest – which is a fundraiser for annual and special community events *such as FAIR HAVEN DAY*, worthwhile capital improvements and purchases for the community to lessen the burden on the local taxpayers and to improve the quality of life for our residents.

DATE: SATURDAY, OCTOBER 3RD (RAIN OR SHINE – TENTED EVENT)

TIME: 6:30 – 10:30 pm

LOCATION: SMART START PRESCHOOL and the adjacent Municipal lot.

This event will be a fun night, *for those over 21 years of age* - with traditional Oktoberfest food from local establishments, live music, games and of course a wonderful selection of Oktoberfest beverages.

“A very dedicated committee has been hard at work for many months and are excited that the Fair Haven Oktoberfest has now become a fun outdoor Fall tradition celebrating the Borough of Fair Haven. I hope that the residents come out and support this event. We have some community restaurants providing authentic Oktoberfest food, a great local band, RipTide, providing us some fun music and back by popular demand – we are going to have a Pong Tournament,” said Fair Haven Foundation President and Borough Councilwoman Susan Sorensen.

Pricing for entrance is \$25 which includes food and entertainment. Entrance can be purchased beginning Monday, September 14th at BOROUGH HALL or if you would like to purchase online – please contact [su-san.sorensen6@gmail.com](mailto:susan.sorensen6@gmail.com) or look for the Facebook posting or eblasts with the link.

There will be additional fees for Oktoberfest Beverages and Games.

The Foundation of Fair Haven is an independent, community-based, non-profit 501 (c)(3) corporation, which seeks to set an example of community involvement in and support for, the needs of the Borough of Fair Haven. The Foundation of Fair Haven assists the Mayor and Council by securing private resources and community support.

HAUNTED HIKE

The date of the hike is Saturday, October 24th. It will be after the Haunted Egg Hunt at 6:30 pm.

For years, Fair Haven's best kept Halloween secret has been the Haunted Hike, a spooky trek through the nature trails adjacent to (just east of) Fair Haven Fields. In the days leading up to the Hike, Fair Haven's Cub Scouts transform the normally tranquil running paths into a scary, but very fun jaunt for all ages (although old or young, particularly the very, very young, or just the easily frightened, may want to be carried through some). The Hike is about a quarter mile long and involves a variety of exhibits thought up and put together by the Scouts. Walking through takes no more than ten minutes, not including repeat walks. Start is just outside of the Church, by the common gardens area. Cost of admission is a canned food item per family, which the Scouts donate to a local food shelter.

The Scouts are so excited about opening this to be whole town again and hope you can find time to join. Hours of operation between 6:15 and 7:30pm.

The Fair Haven Environmental Commission meets monthly on the fourth Wednesday of the month, and has two openings for citizens interested in continuing the maintenance and improvement of the environment in Fair Haven. The Commission identifies issues which are important to the continued well-being of the Borough and makes recommendations to the Planning Committee and the Mayor and Council. We are searching for candidates with similar interests and some knowledge or experience in any of several fields: climate, soils, air quality, ground and surface water issues, waterfront ecology, land use, wetlands, and vegetation. If you'd like to be more involved in helping to keep this natural treasure a place for enjoyment, contemplation, and well-being, you may consider volunteering to be on the committee. New members are always needed and welcome.

35th Annual Red Bank CROP HUNGER WALK OCTOBER 18TH

The Walk begins at 2 pm on Sunday, October 18th (always the nearest Sunday to World Food Day, October 16th every year)! The route goes from Red Bank Regional High School through Fair Haven and Red Bank and back through Little Silver to the ice cream stand at RB Reg H.S.. Six water stops provide clean water for all walkers. We ask all walkers to bring in three staples; rice, beans and peanut butter to help us reach our goal of 18,000 pounds, up one ton from last year! This food is distributed to local food pantries by the end of Walk Day!

The Walk continues to support 16 local programs that fight hunger and we hope to reach a stretch goal this year of \$135,000 for our 35th Walk. We have raised over \$100,000 annually since 2000, in spite of recessions, hurricanes and just one rainy walk day! Every little bit of change helps us to share more with those in need. For more information go to www.redbankcropwalk.com or email us at redbankcropwalk@gmail.com.
