A RIVER RUNS THROUGH THE HEART AND SOUL OF FAIR HAVEN

As you may have read in several local media outlets, our beautiful and beloved Navesink River has recently been identified as having high levels of fecal coliform pollutants. Last year, this contamination caused the New Jersey Department of Environmental Protection to prohibit shell fishing in 565.7 acres of the Navesink, west of the Oceanic Bridge.

I want to assure the Fair Haven community that the Mayor and Council, the Borough's professional staff, the Borough's Environmental Commission, and surely our residents, take the Borough's commitment to a clean river very seriously. The Borough is working on multiple levels, in cooperation with other state and local agencies, to identify and eliminate the sources of the pollution with a goal of restoring the river to a clean and healthy body of water, as quickly as possible.

In support of that goal, the Governing Body recently appointed Environmental Commission member, Brian Rice and Councilman Eric Jaeger to the newly reestablished Navesink River Municipalities Committee which meets at the Red Bank Municipal Complex, 90 Monmouth St. on the third Wednesday of the month at 7:30 p.m., with the meetings open to the public. Member communities include: Red Bank, Tinton Falls, Fair Haven, Rumson, and Middletown. Additionally, the Borough's Engineering Department has been working with the Rutgers Cooperative Extension Water Resources Program on a very comprehensive Impervious Cover Assessment, which will lead to new Borough Ordinances that will further enhance our local Storm Water Management Regulations. Clean Ocean Action has been working with Fair Haven and our neighboring communities to identify the sources of sewage contamination through the use of Environmental Canine Services, which uses dogs to sniff out human waste.

Fair Haven is also working with the American Littoral Society and the Rutgers Cooperative Extension Water Resources Program on the design of the Borough's newly acquired property at the terminus of DeNormandie Avenue. The goal is to design a passive park, which includes bank stabilization and a series of natural water filtering systems, which will stop the sheet flow of rainwater directly into the Navesink River. The Borough has applied for a series of grants to help offset the cost of these projects. We also greatly encourage all of our residents to be mindful of what goes into our storm drains, as well as, what you put onto your lawns. We ask you to properly dispose of pet waste so it doesn't end up in our beloved river.

In closing, as always, I welcome and encourage input from all Borough residents. If you have any comments, questions or concerns, feel free to contact me at my office by calling 732-747-0241 or via my Borough email account, tcasagrande@fhboro.net.

Best regards,

Theresa S. Casagrande, Borough Administrator

Veteran's Day November is the month that we honor our nation's veterans. Veteran's Day is

a day when we all should take a moment to reflect on and be thankful for the men and women who have served in America's Armed Forces. Honoring the service of our nation's veterans with a fitting and respectful day of thanks is an annual tradition that makes us all very proud to be Americans.

The Borough of Fair Haven will honor our Veterans on **Friday, November 11, 2016**. The service will take place in the area of the "Doughboy" statue in Memorial (Victory) Park, corner of Fair Haven and River Roads. **Ceremonies will begin promptly at 11:00 a.m. Please join us for this day of thanks and reflection.**

36th Annual RED BANK CROP WALK ON OCTOBER 16TH

The Red Bank Crop Walk registration begins at 1 pm and the walk begins at 2pm. Mark your calendars and on Sunday, Oct. 16 put on your walking shoes and a smile and head on down to Red Bank Regional High School to take part in the Red Bank Crop Walk. Bring your donation (cash or check made out to Red Bank Crop Walk. Bring also a bag of rice, a can of beans or a jar of peanut butter and become a Hunger Fighter.*

Red Bank Crop Walk is New Jersey's largest walk and the fifth largest in the country. Every year about a 1,000 walkers join in to help supply food at 22 local food pantries and to help support the walk's 15 local partners with donations. Last year 10,000 pounds of rice, beans and peanut butter were collected.

The goal this year is \$120,000. "We think we can achieve that goal if everyone shares a bit more with those who have less" said Janie Schildge, crop walk organizer for many years. Our food goal is 12,000 pounds of food. I encourage everyone to come out on October 16th and walk or run the five-mile course. Our steps will help end hunger in a changing world."

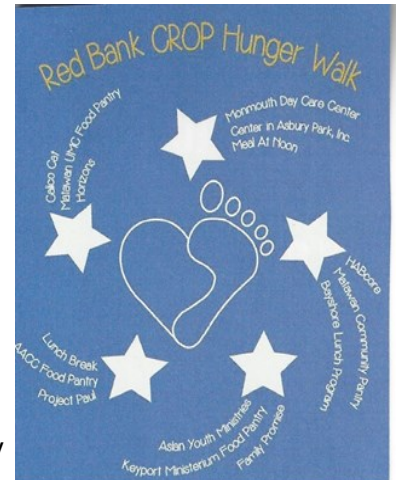

Hunger is a silent and pervasive problem even in our own Monmouth County where close to 59,000 people, about 1 in 9, are food insecure. Most of these are children and being hungry makes it difficult for them to grow and learn.

Crop Hunger Walks are community hunger appeals sponsored by Church World Service (CWS) and were begun almost 70 years ago in an effort to respond to the needs of the desperate people of Europe broken by WWII.

Today crop walks provide sustainable self-help, development, disaster relief, and refugee assistance around the world. The CWS mission is to eradicate hunger and poverty and to promote peace. CWS was here in our county to help after Superstorm Sandy with tools, food and money.

For more information: www.redbankcropwalk.com

* If you are under 18 and walking without a parent bring a signed permission slip.

The front of the 2016 Red Bank Crop Hunger Walk t-shirt lists the names of the 15 local partners who will benefit by funds raised at this year's event.

Fair Haven Green Team to be formed

The Fair Haven Borough Council has just approved a Resolution in support of Fair Haven's participation in the Sustainable Jersey Municipal Certification Program. Sustainable Jersey is a nonprofit organization that provides tools, training and financial incentives to support communities as they pursue sustainability programs.

The Fair Haven Environmental Commission has formed a Green Team to lead in the Borough's efforts towards achieving the Sustainable Jersey Certification through a number of actions aimed at increasing environmental awareness and improving sustainability in our community. We are looking for two to three concerned citizens to join the Green Team and help our community achieve these goals.

If you are interested in volunteering for the Fair Haven Green Team, please contact Laline Neff at lalinecneff@yahoo.com

Garden Club of Fair Haven

The Garden Club of Fair Haven meets the first Wednesday of the month at noon from September to May at the Community Center, 35 Fisk Street.

The next meeting will be on October 5, 2016 where various submissions by members in both the design and horticulture areas will be discussed. Two types of design are involved -- a traditional design using fresh and/or dried material and a functional table design set for dinner for two. The horticulture program will include entries in 5 different classes -- annuals, perennials, bulbs, corms and tubers, herbs, and fruit/vegetables.

At the November 2nd meeting, the Club will hold a chance auction of baskets full of unique, useful and fun items and gift certificates.

The Club's meetings are open to the public. If you would like to join us, please contact Beth Ruda, the Club's Membership Chair, bethde@aol.com, 732-335-5511.

CUB SCOUTS

Interested in
Cub Scouting?

**JOIN
TODAY**

All boys in grades 1 through 5 are invited to join Fair Haven Cub Scouts. Boys can join in any grade and any time throughout the year - there are no prerequisites. Cub Scouts gives boys a chance to build outdoor skills, go on camping trips and participate in a wide variety of activities and outings. We're also looking for local

business and community leaders to present at one of our meetings throughout the year. For information on joining scouts and on volunteer opportunities, please contact Dave Medrow, (dmedrow@yahoo.com).

Fair Haven First Aid Squad Kicks off its Fund Drive

The Fair Haven First Aid Squad, for more than **86 years**, has been providing dedicated service to the community and turning to the residents and businesses for its annual fund drive.

Just as area residents and businesses depend on the squad to be there when they call 9-1-1, the organization depends on generous donations from the community to survive.

The Fair Haven First Aid Squad annual fund drive letter was recently mailed to all homes and businesses in the Borough. Each year the **tax-deductible** donations go directly to purchasing medical supplies, equipment and help off-set the cost of keeping members trained to professional standards.

Through your generous donations over the past years, we have now been able to purchase a new light duty first responder vehicle, a 2016 4-wheel drive Chevy Tahoe(1355), to replace our old 2006 first responder vehicle. The new vehicle carries all our basic life support equipment including a defibrillator. Total expenses for the new vehicle, new radios and modification to carry equipment was \$65,000. This purchase could not be made without the generosity of the community and their support of our fundraising efforts each year. The addition of this vehicle to our First Aid Squad solidifies our mission to provide the best and safest emergency service to the Borough of Fair Haven. Your continued support is greatly appreciated by all our members

During 2015, we answered **423** emergency calls and donated **2914** volunteer hours to our activities.

Our members contribute many hours answering emergency medical calls, responding to vehicular accidents, fires, participating in drills and continuing education activities. They also participate in demonstrations for local schools, scouts and other organizations.

The Fair Haven First Aid Squad does not charge for any of its services. Our Squad is actively replacing outdated equipment and adding new equipment that meets or exceeds State standards.

NO CONTRIBUTION IS TOO SMALL!

Fair Haven Fire Department Auxiliary and Fire Police invite you to the **17th Annual Car Show** **Saturday, October 15, 2016**

After the Firemen's Fair ends in August, the fun continues on Saturday, October 15, 2016 at the Fire Department Auxiliary and Fire Police 17th Annual Car Show. The show is located on Fire Department Grounds 9:00 a.m. thru 3:00 p.m.

The event includes DJ music, Door Prizes and 50/50 drawings. Over 50 trophies will be distributed honoring cars selected by our judges. We have many interesting car models of all ages and types. We will be offering food at the Outback Building, similar to the food offered at the summer fair. The DJ will also be playing many games throughout the day. Pre-Registration for entering a car is \$10.00 and \$15.00 on the day of the show.

Dash plaques will be given to all car registrants. If you would like to sponsor a trophy for \$30 and select your winner, you will be given priority parking.

For further information please call Tim at 732-747-1380. Detailed flyers will be immediately mailed in response to any requests.

Note: There will not be any "rain date" for the car show.

BE A GOOD NEIGHBOR

The Be A Good Neighbor Committee, partnering with volunteer Students in Knollwood School's 6th to 8th grades, will again provide snow shoveling services for Fair Haven's seniors and disabled residents who have no family, neighbors or others to assist them during snow events in the 2016-2017 winter season. Former participants will receive their application forms in the mail during October. For new requests or questions, call Ruth Blaser at (732) 842-4228.

DON'T FORGET TO LICENSE YOUR PET!!

All dog and cat licenses expire annually on December 31 and must be **renewed by January 31st** each year. All dogs and cats must have a current rabies vaccination to renew or obtain a new license. Unless your dog or cat was vaccinated at the Fair Haven Rabies Clinic, a Certification of Rabies Vaccination from a veterinarian must accompany your license application. After January 31st there will be an additional fee of **\$5.00 per month**.

FAIR HAVEN POLICE DEPARTMENT

CRIME PREVENTION

Home Safety: Be sure to always lock your windows and doors, even when you are in the home. Most burglars enter your home through the front door. At times, a burglar may first knock on your door to see if anyone is home. If no one is home, they'll jiggle the doorknob to see if it's unlocked. Many times homeowners leave their doors unlocked, which is an open invitation for an intruder. The next best entry point for a burglar to gain access to your home is through a window on the first floor, followed by the back door. This doesn't mean that burglars don't bother attempting other entry points like garage doors or through the basement so be sure to always lock your doors/windows and have heavy-duty locks on them.

Special Needs Registry

In April 2016, the Monmouth County Special Needs Registry website began accepting new registrants. The goal of the registry is to ensure all Monmouth County residents who have special needs are able to get the help and support they need in a time of emergency or during interaction with Law Enforcement, Fire or EMS personnel. It is open to any person who has a physical or mental impairment that substantially limits one or more major life activities due to a physical and/or intellectual disability.

Further information can be obtained at www.MCSNRNJ.org or contact our SNR liaison Patrolman Eric Patton at 732-747-0241 x333 or epatton@fhboro.net.

CROSSING GUARDS NEEDED!!

Fair Haven Borough is hiring part-time crossing guards. For further information please come in to Police Headquarters to pick up an application or contact Ptl. John Koetzner at 732-747-0241 x329 or jkoetzner@fhboro.net.

TRAFFIC SAFETY

HELMET LAW: Anyone under the age of 17 is required to wear a helmet while riding a bicycle, skateboard, scooter, etc. More children, ages 5-14, go to emergency rooms for bicycle-related injuries than with any other sport; many are head injuries. Helmets are the single most effective piece of safety equipment for riders of all ages, if you crash. Please make sure your child is protected.

PEDESTRIANS: Remain vigilant when driving, especially through our school zones, near our parks and our downtown area. Your view of pedestrians can be obstructed by telephone poles, street lamps, hedges and parked vehicles.

SPEED LIMITS: A reminder that the following streets are 20 MPH zones: Cedar Ave, Church St, Clay St, DeNormandie Ave, Jackson St, Kemp Ave, Maple Ave, McCarter Ave, Smith St, Third St. and Willow St.

DOG BITES: If there is ever a dog bite incident involving yourself or another resident within the Borough, please report the incident to the Fair Haven Police Department by calling 732-747-0991. The police will then contact the Borough Animal Control Officer who will investigate the incident. Thank you for your cooperation.
