Can You Hear Us Now?

Over the past several years, we have been working very hard on increasing our communication with Borough residents. We have expanded our website, increased the type and amount of information in this newsletter, installed an email and text emergency and non-emergency notification system, launched a Borough Facebook Page and installed an electronic sign in front of Borough that displays relevant local public interest information on a regular and ongoing basis.

Yet, even with all of these communication efforts in place, my office still receives occasional commentary indicating that our residents want to be better informed on a specific topic, particularly when it relates to their neighborhood, or their personal interests.

Noting that it is generally a good managerial practice to use an honest critique to help improve one's performance, I am committed to redoubling the Borough's efforts to keep our residents informed. Accordingly, I am asking our residents who already avail themselves to our various communication modes to help spread the word to those residents that we have yet to reach. We want all of our residents to sign up for our newsletter, to put our website in your favorites, to follow us on Facebook and to reach out whenever you have a question, comment, or concern. Please help relay this message to your friends and neighbors.

Please also keep in mind that I take great pride in serving this Borough and I assure you that I will always address your individual and collective concerns in a professional manner. You are welcome to contact me at my office by calling 732-747-0241, or via my Borough email account, tcasagrande@fhboro.net.

Thank you and best regards, **Theresa S. Casagrande**, Borough Administrator

CAPITAL PROJECT and GENERAL IMPROVEMENTS UPDATE

As I am sure many of you have noticed, the Fair Haven Mayor and Council have been making a concerted effort to invest in the Borough's infrastructure and capital stock, as evidenced by the many different projects that have been recently completed or are presently ongoing, all around town. Following is a brief status report on these projects.

FAIR HAVEN FIELDS TENNIS COURTS

Through an innovative and creative interlocal services agreement, between the Borough of Fair Haven and the Rumson-Fair Haven Regional Board of Education, five brand new tennis courts have been built in Fair Haven Fields for the use of the public and our school tennis teams.

BICENTENNIAL HALL – This restoration project has been ongoing for many years, as it was dependent on the private fundraising efforts of a small and very dedicated group of volunteers; the interior woodwork had to be restored by hand, which was very time consuming. The interior restoration of the building is nearly complete. The exterior brick walkways were recently reset and we have added sidewalks along Cedar Avenue. We anticipate being able to open the building for public use by the end of the year.

COMMUNITY CENTER FIELDS – This park area is in the process of being upgraded as part of a series of small capital projects the Mayor and Council have authorized throughout the Borough. Immediate plans call for partial upgrades to the fencing and repair and resurfacing of the basketball courts. A committee will be meeting soon to discuss and make future recommendations for additional improvements to this neighborhood park, particularly as they relate to other capital projects that have recently been completed or are in the planning stage for this neighborhood. The additional tennis court space in Fair Haven Fields will also enable the Borough to avoid the cost of upgrading the two courts that are located at the Community Center Park and to repurpose that area in the future.

2017 MICRO-PROJECT ROAD AND SIDEWALK IMPROVEMENTS – This year, instead of dedicating capital funds to repave just one or two Borough streets, the Mayor and Council decided to dedicate our 2017 road project funds to complete thirteen (13) different curb, sidewalk, drainage and intersection paving Upgrades throughout the Borough. The main focus was on increasing sidewalk connectivity, particularly on our routes to school, and on upgrading intersections that had historical drainage problems.

UPDATE OF CAPITAL PROJECTS THAT ARE IN THE PLANNING STAGE

FACILITIES UPGRADES – The Mayor and Council are in the process of working with various committees and Borough Professionals to review much needed capital improvements to the Borough’s Police Department, Public Works, and Community Center facilities. While these buildings have served the Borough well through the years, they haven’t been improved in many years and they are presently in great need of updating to improve efficiency and to address numerous safety issues for the public and our employees.

FAIR HAVEN FIELDS BUFFER

RESTORATION – This is a small project, which will be partially funded by a Monmouth County Open Space Grant. The scope of work will include removing dead plantings along the perimeter of Fair Haven Fields and replacing them with new trees.

IMPROVING RIVER ACCESS AND POCKET PARKS

– This project will upgrade the pocket park that is located at the end of Grange Avenue and will add an additional pocket park at the end of Hance Road, which will include access to the Navesink River. The project will also include upgrades to the Borough’s boat ramp at the end of Battin Road. This project will also be partially funded by a Monmouth County Open Space Grant.

78 DENORMANDIE AVENUE– BANK STABILIZATION AND PASSIVE PARK – The Borough is working with the American Littoral Society on a bank stabilization project for the riverbank along the property located at the end of DeNormandie Avenue. The Borough also has submitted an application to the Tidelands Division of the New Jersey Department of Environmental Protection for a Management Rights Agreement, which will allow us to access and improve the waterway in front of the property. The Mayor and Council have also authorized funding to make some minor improvements to the upland area in this passive park.

IMPROVEMENTS LINKING KNOLLWOOD

AND SICKLES SCHOOLS. This project will complete sidewalks linking the Borough’s two elementary schools, including improved access from the River Oaks neighborhoods. This project will be partially funded by a New Jersey department of Transportation Safe Streets to Schools Grant.

SCHWENKERS POND – The Borough recently accepted the dedication of six acres of land, which includes 4.5 acres known as Schwenkers Pond. This pond is also in need of remediation to remove organic and plant materials and the Borough is in the process of studying options for that treatment.

MCCARTER POND – The Mayor and Council have dedicated funds to improve the water quality at McCarter Pond; to date, we have installed eight aeration devices, treated the pond to help breakdown the organic material at the bottom of the pond and treated the pond for algae blooms. All of these efforts are showing improvement to the pond. The Borough is also studying plans to hydro-rake the pond to further reduce the organic materials that have built up over the years.

BE A GOOD NEIGHBOR

The **Be A Good Neighbor Committee**, partnering with volunteer students in Knollwood School’s 6th to 8th grades, may again provide snow shoveling services for Fair Haven’s seniors and disabled residents who have no family, neighbors or others to assist them during snow events in the 2017-2018 winter season. Former adult participants will receive their application forms in the mail during October.

Students will receive their forms through the school.

For new requests or questions, call Ruth Blaser at (732) 842-4228.

Calling all FAIR HAVEN SENIORS—55 and up!!

Our Fair Haven Senior Group will resume meeting beginning on Tuesday, September 19th. Join us for conversation, activities, dessert, coffee and tea at our monthly meetings (Third Tuesday of each month except July and August) at 1:00 p.m.** at the Community Center located behind the Police Department at 35 Fisk Street.

Our group welcomes new (and old) members. Off-street parking available, no stairs to climb. Call Ruth Blaser at 732-842-4228 with any questions. We hope to see you soon! **Unless changed due to holiday or activity. Also, look forward to LOTS of trips for 2017-2018!!

Fair Haven Fire Department Auxiliary and Fire Police invite you to the 18th Annual Car Show

Saturday, October 14, 2017

9:00 a.m. to 3:00 p.m.

(Rain Date, Sunday, October 15, 2017)

The Fair Haven Fire Department's Fire Police and Auxiliary Organizations will be holding their annual fundraiser. The 2017 Fall Car Show will be held on October 14th, (9 a.m. to 3 p.m.) at the Fair Haven Fire House located at 645 River Road. Both organizations are volunteer and depend on donations to continue functioning. The two organizations are an essential part of the Fair Haven Volunteer Fire Company No. 1 as well as the community it serves.

Fair Haven Volunteer First Aid Squad Kicks off its 2017 Fund Drive

The Fair Haven Volunteer First Aid Squad has, for more than **87 years**, provided dedicated service and support to the community and is asking the residents and businesses for their support during our annual fund drive.

Just as area residents and businesses depend on the squad to be there when they call 9-1-1, the organization depends on donations from the community to survive and provide that support.

The Squad would like to stress the importance of house numbers being visible from the street. Precious moments could be lost if a responding emergency vehicle must search for an unnumbered house.

Motorists should remember that **state law** requires you to yield (right-of-way) to vehicles displaying a flashing or revolving red or blue light.

The Fair Haven Volunteer First Aid Squad annual fund drive letter will be mailed out to all homes and businesses in the Borough. Each year the **tax-deductible** donations go directly to purchasing medical supplies, equipment and help to off-set the cost of keeping members trained to increasing professional standards.

In 2016, the squad responded to **500** emergency calls and donated **3712** man hours. Our members contribute many hours answering emergency medical calls, responding to vehicular accidents, fires, participating in drills and continuing education activities. They also participate in demonstrations for local schools, scouts and other organizations, as well as providing mutual aid support for our surrounding communities.

The Fair Haven Volunteer First Aid Squad does not charge for any of its services. Our Squad is actively replacing outdated equipment and adding new equipment that meets or exceeds State standards.

NO CONTRIBUTION IS TOO SMALL!

GARDEN CLUB OF FAIR HAVEN ~ OCTOBER NEWS ~

The Garden Club of Fair Haven will have its first meeting of the new season on Wednesday, October 4, 2017, at noon. The Club is inviting people interested in horticulture and gardening in general to join. This is an important meeting as we'll be presenting a small standard flower show. Titled "Amazing Autumn", the show will have a variety of horticulture classes, as well as three design classes that reflect the autumnal season; "Design in a Stein" for Octoberfest, "Spooktacular" for Halloween and "Pilgrim's Progress" for Thanksgiving. The show is open to the public from 1-3 pm on October 4th, at the Fair Haven Community Center, 35 Fisk Street, Fair Haven.

The public is encouraged to visit the show and to attend any of the GCFH meetings on the first Wednesday of each month, at the Fair Haven Community Center. Membership in the club is not limited to Fair Haven residents.

An important note for the meeting on November 1st – there will be a basket raffle beginning at noon where 20-30 beautiful baskets with different themes will be there for the bidding – again, the public is invited to attend. The proceeds from this event will go towards funding various out-reach programs supported by the Club.

Finally, tips to help keep our environment green:

Energy awareness and conservation doesn't mean that you have to protest big oil companies or lobby Legislators for changes. By following these tips, you can do your part in saving the environment and save money by increasing efficiency with your home appliances and your energy usage.

Replace your light bulbs. * Turn off and unplug electrical devices when you are not using them.

Clean or replace air conditioning filters * Recycle and buy recycled products.

Buy new appliances to replace old and inefficient models * Only run your dishwasher when it is full.

Wash clothing in cold water instead of hot * Keep your water heater at no more than 120 degrees.

"Wall of Honor"

It is with great pride that Knollwood School displays the pictures of graduates who are serving their country on active duty in the Armed Forces of the United States of America. These young men and women have chosen sacrifice and service to their country and are not forgotten as they protect our way of life. This "Wall" reflects that dedication and honors their service. In a continuing effort to keep this display current the committee reaches out to the community to solicit any information about Knollwood graduates who are currently serving. Lets honor and not forget those Knollwood graduates who protect our way of life on a daily basis.

FAIR HAVEN SCHOOL DISTRICT PRESCHOOL PROGRAM

The Fair Haven School District will be offering an Integrated Preschool Program for the 2018-2019 school year. Located at the Sickles School, the integrated preschool program combines students with and without special needs.

This program follows the NJ State Department of Education's Preschool Teaching and Learning Expectations: Standards of Quality and is taught by a certified teacher. The preschool program will follow the Fair Haven School District's 2018 - 2019 academic calendar.

Space is limited; a lottery will be conducted in February to select the children to fill the available slots. For more information, please contact the Special Services Office at (732) 747-0381.

37th Annual Crop Walk ON OCTOBER 15TH

The Red Bank Crop Walk registration begins at 1 pm and the walk begins at 2pm. Mark your calendars for Sunday, October 15, put on your walking shoes, a smile and head on down to Red Bank Regional High School to take part in the Red Bank Crop Walk. Bring your donation (cash or check made out to Red Bank Crop Walk). Bring also a bag of rice, a can of beans or a jar of peanut butter and become a Hunger Fighter.*

Red Bank Crop Walk is New Jersey's largest walk and the fifth largest in the country. Every year about a 1,000 walkers join in to help supply food at 22 local food pantries and to help support the walk's 15 local partners with donations. Last year 10,000 pounds of rice, beans and peanut butter were collected.

For more information: www.redbankcropwalk.com

* If you are under 18 and walking without a parent bring a signed permission slip.

After Hours Drop Box

For your convenience, there is an After Hours Drop Box located in the vestibule of Borough Hall. The box is affixed to the wall and is marked, **BOROUGH HALL, AFTER HOURS DROP.**

This is a multi-use box where you may drop off forms, tax payments, correspondence for Borough staff, keys that were signed out for Community Center or Concession Stand, etc. The vestibule is open 24 hours, 7 days a week. The drop box is locked at all times and is checked on a daily basis.

FAIR HAVEN FIELDS NATURAL AREA COMMITTEE ~ New Members Wanted ~

Fair Haven Fields Natural Area is **40** acres of open space where nature is free to do as it pleases...with some help from caring citizens of Fair Haven. A committee of volunteers works with the Borough and the DPW and advises on maintenance of the trails, trees, pond and meadow. The committee also coordinates the semi-annual Volunteer Days and naturalist-led Walk/Talks for the community.

We are searching for new voices and new advocates for the Natural Area. If you are interested, please contact Chairman Stephen Sheehan at stephensheehan6@gmail.com or comment on our Facebook page: <https://www.facebook.com/FairHavenFieldsNaturalArea>

Visible House Numbers Key to Emergency Response Times

In the case of an emergency, such as a medical emergency or fire, a difference of minutes can mean the difference between life and death. Clearly visible house numbers are imperative for a quick response. The more camouflaged and hard to find the numbers are, the longer it will take emergency personnel to arrive at the scene. While the house numbering system in Fair Haven does go in ascending or descending order, most often the house/business numbers are not set in specific chronological order, such as #70, 72, 74, 76, etc. For example: Your house number may be #70. It would be logical to think the house to the right of yours would be #72 and the house to the right of them would be #74. This is not necessarily the case. Your neighbor's house could be #82 and their neighbor could be #96. You can imagine the difficulty this presents when responding to an emergency call for service. Clearly visible house numbers would greatly assist in lowering response times, in turn, getting you the help you need quicker. Some basic suggestions are provided below to better assist emergency personnel who are responding to your home or business:

- ◆ Should be Arabic numerals. Fancy numbers or numbers that are spelled out may be aesthetically pleasing but are very difficult to read from the street.
- ◆ Should be a minimum of three inches high and in a contrasting color to their immediate background. Brass or bronze numbers are difficult to see.
- ◆ Should be displayed on the front of the dwelling and visible from the street. Preferably within the immediate vicinity of the front door.
- ◆ If the dwelling is located more than 45 feet from the front lot line, the number should be displayed on a gate post, fence, mailbox or other appropriate place that will make it visible from all directions when approaching from the street.
- ◆ Should not be obstructed by shrubs, trees, decorations, etc.
- ◆ Reflective numbers are highly recommended. This allows them to be more visible at night when a flashlight or spotlight is directed at them.

Here are a few friendly reminders that will assist the students getting to and from school safely

HELMET LAW:

New Jersey law mandates that a person under 17 years of age shall not operate a bicycle or skateboard unless that person is wearing a properly fitted and fastened helmet which meets that standards of the American National Standards Institute.

ROAD CLOSED TO ALL VEHICULAR TRAFFIC:

The length of Third Street will be closed to ALL vehicular traffic between the hours of 7:30-8:30 am and 2:45-3:45 pm. The ONLY exception will be for those who reside on Third Street or an adjoining street (Church St., Maple Ave, Allen St., Williams St., Cedar Ave and Country Lane). We kindly ask that these residents use the roads closest to their homes to enter/exit Third Street. DO NOT enter/exit Third Street from either Fair Haven Road or Hance Road where the crossing guards are posted during these times. Thank you for your cooperation and understanding.

PART-TIME CROSSING GUARDS NEEDED

Fair Haven Borough is hiring part-time crossing guards. For further information, please come into Police Headquarters to pick up an application or contact Patrolman John Koetzner at 732-747-0241 x329

Veteran's Day

November is the month that we honor our nation's veterans. Veteran's Day is a day when we all should take a moment to reflect on and be thankful for the men and women who have served in America's Armed Forces. Honoring the service of our nation's veterans with a fitting and respectful day of thanks is an annual tradition that makes us all very proud to be Americans.

The Borough of Fair Haven will honor our Veterans on **Saturday, November 11, 2017**. The service will take place in the area of the "Doughboy" statue in Memorial (Victory) Park, corner of Fair Haven and River Roads. **Ceremony will begin promptly at 11:00 a.m.** Please join us for this day of thanks and reflection.
