2018 Tax Rate Information

Your local property tax bill represents the budgetary funding of four separate taxing entities, including: the Fair Haven School budget, the Rumson Fair Haven Regional High School budget, Monmouth County's budget and Fair Haven's Municipal Budget. The Fair Haven Mayor and Council only have control and oversight over the municipal portion of your total tax bill. However, the local municipality is legally responsible for collecting and distributing the tax revenue for each of these taxing entities, at no charge to the school districts or the county.

2018 Tax Rate Breakdown

In 2018, for every dollar collected in local property taxes, 64 cents will go to fund our schools, 16 cents will go to Monmouth County and 20 cents will go towards funding Fair Haven's municipal operations. This year the municipal tax rate is decreasing by 3.05%; however, due to the fact that the average residential home assessment also increased between 2017 and 2018, it would be disingenuous to claim that the municipal portion of all tax bills will be going down by the same 3.05%. To compare the average change to municipal taxes, from 2017 to 2018, we compared municipal taxes paid by the average residential assessment in 2017 (\$770,600) to the taxes paid by average residential assessment in 2018 (\$808,000). For 2018, the conceptual average assessed home will pay \$48.53 more in municipal taxes than it paid in 2017.

For many reasons, Fair Haven is a very desirous place to live, so the Borough's residential home market continues to be very strong. Since the State of New Jersey requires the Borough to assess the value of homes annually, there is no way around the fact that a strong real estate market will increase the assessed value of your home, which also has an impact on your property tax bill. It is important to keep in mind that this same strong real estate market also helps protect people's greatest asset, your home. The Fair Haven Mayor, Council and Administration will continue to do everything possible to control costs while still maintaining the many services funded through the municipal budget.

2018 TAX RATE IMPACT ON THE AVERAGE ASSESSED HOME VALUE

This chart displays the annual change in the individual tax rates from 2017 to 2018, expressed in dollar value. We have calculated the dollar change by using the average assessed home value for each year.

2017=\$770,600.

2018=\$808,000.

CAPITAL PROJECTS AND PLANNING OVERVIEW

Over the past year, the Fair Haven Governing Body and the Borough's Administrative Staff have spent a good deal of time assessing the Borough's future capital needs, with a goal of formulating a debt management plan that will fund these needs in a responsible manner. When it comes to funding capital improvements, the goal in municipal budgeting is to avoid a spike in annual debt service payments, which would most often result in a corresponding increase in the total tax levy.

Fair Haven's Mayor and Council have maintained both a stable tax rate and a very low debt to valuation ratio by budgeting for small capital expenditures in the annual municipal budget and by authorizing and subsequently issuing debt for large capital expenditures. Following is a synopsis of the Borough's capital projects and capital planning:

RECENT CAPITAL EXPENDITURES

- Purchase of a leaf-vacuum truck, which will greatly improve our leaf gathering operations.
- Construction of five new tennis courts in Fair Haven Fields.
- Improvements to Community Center Fields.
- Upgrades to sidewalks, curbs, drainage and intersection paving in fifteen different locations.
- Improvements to Bicentennial Hall, which is scheduled to reopen in the fall.

AUTHORIZED CAPITAL PROJECTS

- Improvements to the park at the end of DeNormandie Avenue.
- Improvements to Third Street and Fair Haven Road
- Improvements to Battin Road

CAPITAL PLANNING

The Borough's municipal facilities, including the Police Department, Community Center and Public Works buildings are in great need of upgrading. These buildings are old, functionally obsolete and do not meet current building code and/or safety standards. The planning phase for these building upgrades is focusing on exploring options for both relocation and consolidation, with a goal of improving access and efficiency, as well as lessening the impact to the residential neighborhoods where these facilities are presently located. The Mayor and Council have also been working with the Fair Haven Board of Education to see if there are any opportunities for shared facilities, as they also look to improve their facilities in the most cost effective and efficient manner.

BEING A GOOD NEIGHBOR!! Appreciative Seniors and the "Be A Good Neighbor" committee honored the 6th, 7th and 8th grade Knollwood School students who volunteered to shovel snow for Seniors and others this past winter season, at a pizza and dessert party on May 20th at Umberto's Restaurant. We give thanks for the support of our Seniors, Acme Market, Fair Haven PBA, Chase Bank, Little Silver Pharmacy, Tavolo Pronto, TD Bank, Umberto's and Walgreen's who participated in making the event a success. We are especially thankful for the support of the shovelers' parents, who encouraged the students to help.

The Committee is looking forward to continuing the program which is a cooperative effort between Knollwood School, the students and volunteer community members. The Committee is seeking additional volunteers and adult volunteers who can occasionally help with transportation to medical appointments or with small household tasks (i.e. changing a hard-to-reach light bulb, opening/closing a stuck window or taking items to the DPW on Bulk Saturdays). Persons interested in helping the committee sustain this program, please contact Ruth Blaser (732) 842-4228 or email Donna Steiner at donnasteiner125@gmail.com. Seniors currently on our list will be mailed a renewal form. Others wishing to be put on the list* should call Ruth or email Donna.

The ability to provide sufficient shovelers depends on the number of student volunteers who sign up (with parental approval). *Seniors should not sign up if they can rely on a relative, friend, neighbor or if they can contract with their landscaper, or will be out of town for a month or more during the winter.

Fair Haven Volunteer First Aid Squad Kicks off its 2018 Fund Drive

The Fair Haven Volunteer First Aid Squad has, for more than **88 years**, provided dedicated service and support to the community and is asking the residents and businesses for their support during our annual fund drive.

Just as area residents and businesses depend on the squad to be there when they call 9-1-1, the organization depends on donations from the community to survive and provide that support.

The Squad would like to stress the importance of house numbers being visible from the street. Precious moments could be lost if a responding emergency vehicle must search for an unnumbered house.

Motorists should remember that **state law** requires you to yield (right-of-way) to vehicles displaying a flashing or revolving red or blue light.

The Fair Haven Volunteer First Aid Squad annual fund drive letter will be mailed out to all homes and businesses in the Borough. Each year the **tax-deductible** donations go directly to purchasing medical supplies, equipment and help to off-set the cost of keeping members trained to increasing professional standards.

In 2017, the squad responded to **474** emergency calls and donated **2712** man hours. Our members contribute many hours answering emergency medical calls, responding to vehicular accidents, fires, participating in drills and continuing education activities. They also participate in demonstrations for local schools, scouts and other organizations, as well as providing mutual aid support for our surrounding communities.

The Fair Haven Volunteer First Aid Squad does not charge for any of its services. Our Squad is actively replacing outdated equipment and adding new equipment that meets or exceeds State standards.

NO CONTRIBUTION IS TOO SMALL!

Finally, in August, *Bach to Rock* with the *Science of Sound* was the entertainment for the “**Summer Reading Club Celebration**.” There were goodie bags and refreshments and a rock and roll time had by all!

It is with great pride that Knollwood School displays the pictures of graduates who are serving their country on active duty in the Armed Forces of the United States of America. These young men and women have chosen sacrifice and service to their country and are not forgotten as they protect our way of life. This "Wall" reflects that dedication and honors their service. Lets honor and not forget those Knollwood graduates who protect our way of life on a daily basis.

We just installed our new officers for the Executive Board of the Fair Haven Garden Club for the next two years:

President-- Beth Ruda

Vice President--Richard Biernacki

Treasurer--Paula Thorogood

Recording Secretary--Linda Leasor

Corresponding Secretary--Lee Davidson

We are looking forward to an exciting year ahead filled with many different types of projects.

Here are some of our ongoing activities that we conduct on a regular basis:

Aiding the protection and conservation of natural resources with contributions to American Littoral Society, Clean Ocean Action, Friends of Rutgers Gardens Foundation, Monmouth Conservation Foundation, Habitat for Humanity, NGC Natural Disasters USA and International Fund, GCNJ Lyons Garden Therapy and NJ Audubon Society.

We recently held our annual Plant Sale in front of the Fair Haven Fire House where we sold our own home grown perennials as well as provided gifts for Mother's day and had an educational booth set up with our very own Master Gardener Elizabeth Lilleston to answer questions about all things gardening.

We also make the Borough wreaths every holiday season and plant and maintain the planters in Memorial Park to grace all the seasons. Next Fall we will hold a Standard Flower Show and it will be open to the public.

We give out a scholarship every year to one of our Rumson Fair Haven High School students who will study Horticulture, agriculture or environmental curriculum.

Visible House Numbers Key to Emergency Response Times

In the case of an emergency, such as a medical emergency or fire, a difference of minutes can mean the difference between life and death. Clearly visible house numbers are imperative for a quick response. The more camouflaged and hard to find the numbers are, the longer it will take emergency personnel to arrive at the scene. Clearly visible house numbers would greatly assist in lowering response times, in turn, getting you the help you need quicker. Some basic suggestions are provided below to better assist emergency personnel who are responding to your home or business:

- Use Arabic numerals. Fancy numbers or numbers that are spelled out may be aesthetically pleasing, but are very difficult to read from the street.
- Should be a minimum of three inches high and in a contrasting color to their immediate background. Brass or bronze numbers are difficult to see.
- Should be displayed on the front of the dwelling and visible from the street. Preferably within the immediate vicinity of the front door.
- If the dwelling is located more than 45 feet from the front lot line, the number should be displayed on a gate post, fence, mailbox or other appropriate place that will make it visible from all directions when approaching from the street.
- Should not be obstructed by shrubs, trees, decorations, etc.
- Reflective numbers are highly recommended. This allows them to be more visible at night when a flashlight or spotlight is directed at them.

ROAD CLOSURE REMINDER

During school days, the length of Third Street will be closed to ALL vehicular traffic between the hours of 7:30-8:45am and 2:30-3:45pm. The ONLY exceptions will be for those who reside on Third St or an adjoining street (Church St, Maple Ave, Allen St, Williams St, Cedar Ave, Country Ln). We kindly ask that these residents use the roads closest to their homes to enter/exit Third St. DO NOT enter/exit Third St from either Fair Haven Rd or Hance Rd where the crossing guards are posted during these times and barricades are erected. Thank you in advance for your cooperation and understanding.
