The Fair Haven Fields Garden was established in the 1970's as part of the Fair Haven Fields Recreation and Natural Areas. The Garden is approximately ½ acre and located on the lane leading to the Christ Methodist Church off of Ridge Road. Significant improvements have been added over the years including the addition of on-site water and full deer fencing in 2013. A water fountain was added in 2019.

The Garden is open to all interested gardeners. Each plot is approximately 20' X 20'. 48 plots available. The fee for a garden plot is \$60. There is a limit of 2 plots per person.
