Rain

Unfortunately, since our program takes place outside, rain is certainly an obstacle to overcome.

If heavy rain is predicted or occurs while camp is in session, we may need to cancel camp for the day.

*If it is decided before the camp day begins that camp will need to be canceled, we will send out an email to parents; we try to send this email by 7:30am. Please check your email for any weather related changes.

*If it is decided during the camp day that camp will need to end early due to poor weather, we will send an email and call parents.

You can always give us a call at 732 747 0241 ext 216. or send an email to Recreation@fhboro.net if you are unsure about the camp status due to weather.

Communication

Parents will receive timely emails dedicated to all things Rec-N-Crew. This will include scheduling info, reminders, and more. It is important that we have the correct email address for all parents!

Last minute updates regarding weather or other camp updates will be made through email.

Please contact the Recreation Dept. if you have any questions. Recreation@fhboro.net
