Graduate FBINA 254

Robert Townshend
Lieutenant of Police
Operations Division

April 6, 2020

Dear Fair Haven Residents,

As of this date, we have sixteen (16) confirmed COVID-19 cases within the borough. Although, we wish we didn't have any cases at all, this is still a significantly appropriate number given the amount of cases currently in other towns in our area. We are anticipating that this number will rise with additional testing still being conducted but we are also optimistic about progress being made on the testing and treatment level by our healthcare system.

We are beyond impressed with the great discipline, support and cooperation that our residents and local businesses have shown with regards to social distancing. Everyone is making a strong concerted effort to adapt to this evolving situation and it really shows. This is truly helping us to curtail the spread and will pay dividends in the long run.

The Police Department, Office of Emergency Management, First Aid Squad and Fire Department are doing our best to assure all of our residents that we are staying ahead of the curve and well on top of the situation. Thank you for making our job easier and making it easier for us to serve you. Working together we will get through this and come out stronger as a community.

Chief Joseph P. McGovern
Fair Haven Police Department/
Emergency Management Coordinator
