FAQs:

What is "League Age"?

League Age is established by Little League International and determines in which division your child will play. If your child was **born on or after September 1, 2005**, his "League Age" is his age as of August 31, 2020.

What should I do if my child would like to play in the division with his classmates, but his birth date is prompting him to be registered in a different division?

For the TRLL Divisions, if a child's birthday puts them in a division that does not include their classmates, a player may opt to play up or down with the permission (via waiver) of the Two River Little League Player Agent (playeragent@tworiverlittleleague.com). Since the FHBB registration will automatically place your child in the appropriate division per the grid above, any parent seeking a waiver should request one from the FHBB Player Agent (Please email FHBASEBALL1@gmail.com, Attention : Player Agent), as well as the TRLL Player Agent. ****PLEASE NOTE: Only players playing "up" will be eligible to try out for their respective district tournament All Star team.***

Due to safety concerns, Pre-K and Kindergarten players will not be allowed to play-up to older age brackets.

LATE FEES: \$25.00 per child added to the above fees and NO guarantee of placement on a team if the number and/or composition of the teams have already been determined. **Late Fees effective February 26, 2021.**

OUT-OF-TOWN FEE: \$10.00 additional (We only accept out-of-town T-Ball participants.)
