Retain this calendar for year round Borough information!

Dear Fair Haven Residents:

In this year's Municipal Calendar, we have provided each and every resident with a plethora of important information. Please take the time to read through. We will be regularly updating our online calendar, which you can find on the Borough's website: www.fairhavennj.org and will also send out information on all Borough events throughout the year on our various communications platforms. Please follow us on Facebook and be sure you are signed up for our weekly Constant Contact electronic newsletter (*visit Borough website www.fairhavennj.org and select "Notifications and Alerts"*).

When you look through this calendar, please be sure to take note of the pick-up schedules and rules for brush, leaves and bulk collection. It is VERY important for everyone to keep in mind that simply following the posted schedules will enable us to keep the Borough streets safe, clean and generally free from debris; this is both environmentally friendly and esthetically pleasing. That goal is simply unattainable if some of our residents continue to place brush, leaves and bulk to the curb, without any regard for when they are scheduled to be picked up. In the interest of community pride and environmental friendliness, we are asking for the cooperation of all residents as we strive to deliver services in an effective and efficient manner, keeping our streets as clean and safe as possible, all year long.

I thank you for your anticipated cooperation and welcome your suggestions for enhanced services throughout the year.

Best regards, Theresa S. Casagrande, *Borough Administrator*

2022 CURBSIDE BULK PICK UP SCHEDULE

From JANUARY THROUGH OCTOBER, Fair Haven residents may place bulk trash items at their curbside as follows:

TRASH ZONES 1 & 2 first Monday of the month,
TRASH ZONES 3 & 4 Bulk pick-up is the second Monday of the month,

PLEASE FOLLOW THESE VERY IMPORTANT GUIDELINES:

1. Bulk Pick-Up is **ONLY** for residential properties
2. All bulk items shall be placed behind the curb or edge of pavement and not in the street.
3. Appliance disposal will require prior scheduling through the main office (732-747-0241, ext.*219). There will be a \$15.00 fee for each appliance disposal sticker, which must be placed on the appliance. Refrigerator doors and large coolers must have the door or lid removed when placed at the curb.
4. E-waste disposal (TV, Computers, Game Stations, etc.) will require prior scheduling through the main office (732-747-0241, ext.*219). E-Waste items must be separate from other bulk items and please place smaller e-waste items in a separate pile.
5. **NO TRASH BAGS OR BOXES OF ANY KIND WILL BE ACCEPTED FOR BULK PICK UP.**
6. All metal items must be placed in a separate pile.
7. Bulk pick up will be limited to not exceed what would fit into a small pickup truck. There will be no full basement cleanouts or whole house move outs.
8. No construction debris will be picked up, including: cabinets, flooring, plumbing fixtures, drywall, yard fencing or large swing sets.
9. There will not be bulk pick up during the months of November and December, so we can expedite leaf collection and street cleaning.

ATTENTION PET OWNERS!

All Dog and Cat licenses expire annually on December 31st and **MUST** be renewed by January 31st each year.

The 2022 licenses will be sold beginning January 3, 2022. A grace period will be granted until January 31, 2022; after that date, a \$5.00 penalty per month will be assessed. Rabies vaccinations must be renewed for 2022 if the vaccination expires prior to November 1, 2022.

Dogs, six months or older, and Cats, seven months or older, must have a current rabies vaccination to renew or obtain a new license. Unless your pet was vaccinated at a local Rabies Clinic, a Certification of Rabies Vaccination from a veterinarian must accompany your license application. Rabies vaccinations **MUST** be good through November 1, 2022. **REMINDER:** Borough Ordinance requires all dogs must be accompanied by a person and controlled by an adequate leash not more than six feet long.

LICENSE FEES:

DOGS—\$10 per dog if spayed/neutered; \$13 non-neutered or spayed
CATS— \$7 spayed/neutered \$9 non-neutered or spayed

Please make the payment in person, by mail or place it in the drop box in the Borough Hall vestibule. A new license will be sent upon payment. We ask that you include a self-addressed, stamped envelope for the return of the license.

IMPORTANT BRUSH AND LEAF

BRUSH is defined as woody trimmings from bushes or shrubs, as well as tree branches from trimming and/or pruning trees. The wood **waste** should be less than 4 inches in diameter and no greater than 4 feet in length.

Anything else is NOT BRUSH!

LEAVES are LEAVES!!
(not hedge trimmings, annuals or other vegetative yard waste)
Leaves are taken to a farm for composting. Any foreign materials, such as brush, wood or stones create problems for the farm animals and machinery and may be rejected for processing at more costly facilities.

YARD WASTE
is defined as leaves, grass and non-woody organic **garden waste** and may also include sod, dirt, sand, gravel or rocks.
Yard waste is compostable or is trash!

Fair Haven Fire Company

The Fair Haven Fire Company is an all volunteer organization that has a proud history of providing emergency services for the Borough of Fair Haven and surrounding communities. The Fire Company has grown over the years to include the Fire Department, First Aid Squad, Fire Police Unit, Water Rescue Team and Auxiliary that provide all aspects of emergency services.

The annual Fair Haven Fire Company Firemen's Fair is the largest firemen's fair in New Jersey. The firehouse grounds are transformed into blazing lights, sounds and activities! For future firefighters there is nothing like a ride on a real fire truck! Children are safely seated on one of Fair Haven's first-line pumpers and taken on a ride around several blocks in Fair Haven. FOOD is one of the main attractions, with a sit-down dining room featuring all local specialties including seafood, burgers, hotdogs, cotton candy, just to name a few. In addition to being the Fire Company's main fund-raising event, the Fair serves as an "end of summer" event for members of the Fire Company and other volunteers who pitch in to work at over 30 booths and other activities.

FAIR HAVEN POLICE DEPARTMENT

Police, Fire, First Aid Emergency 911 // Police Non-Emergencies 732-747-0991

CRIME PREVENTION

Under our Crime Prevention Unit there are several programs designed to help keep our residents safe. For more information on any of these programs, please contact Sergeant Sherri Lambert at 732-747-0241, extension *330 or slambert@fhboro.net.

MCGRUFF SAFE HOUSE:

A McGruff Safe House is a temporary haven for children who find themselves in a frightening or dangerous situation. Each McGruff Safe House participant has a sign that is displayed in their window and agrees to help children who need assistance as they go to and from school and play in their neighborhood.

NEIGHBORHOOD WATCH:

This is the first step for community organization against crime. The Neighborhood Watch Program is organized to enable the police and community to work together to make more areas free of crime and keep our children safe. Some of the benefits of Neighborhood Watch are free home security surveys done by the Police Department as well as informative presentations on topics such as identity theft, internet safety and other pertinent safety tips for back to school and holiday shopping.

WELL BEING CHECK PROGRAM:

The Well Being Check Program is something the Police Department set up to check on our senior residents. The program is designed to let the seniors know that there is someone looking out for their well being, without taking away their independence.

NATIONAL NIGHT OUT:

This nationwide event is a great night for friends and family members of the community to get together and get to know the officers of the Police Department.

SNOW & ICE REMOVAL

The Borough of Fair Haven has approximately 54 miles of roads to plow as well as public facilities. Plowing generally begins when snow accumulation reaches two inches or sooner if the roads are determined by the Police Department to be hazardous.

SHOVELING

Borough Code 14-6.2 states that no person shall sweep, throw or deposit any snow or ice in that part of the street which has been or is being plowed, swept or cleared by the municipality for the passage of traffic. One major problem comes when snow and ice are shoveled or blown back onto the street after the road has been plowed. Snow that has been deposited onto the street could refreeze and cause a hazardous condition for you or your neighbors.

SIDEWALKS

Property owners, tenants or occupants must clear the sidewalk in front of their property of all snow and/or ice within 24 hours after the end of the snowfall or the formation of ice. The path cleared must be a minimum of two feet in width (Ord. 14-6.1).

FIRE HYDRANTS

If there is a fire hydrant in front of your home or business, please clear the snow around the hydrant.

ON-STREET PARKING

Borough Code 7-10.1 states whenever snow has fallen and the accumulation is such that it covers the streets and highways, an emergency shall exist and no vehicle shall be parked on the streets or highways or portions thereof indicated. The parking prohibitions shall remain in effect after the snow has ceased until the streets have been plowed sufficiently and to the extent that parking will not interfere with the normal flow of traffic.

Please be patient.

This is especially important during blizzards and extended storms when the Borough must stagger crew hours and are often needed to assist the Police Department, Fire Department or First Aid with snow related accidents and emergencies.
