Dear Neighbors,

What a year it has been for the Borough of Fair Haven. After emerging from two challenging winters of pandemic-related shutdowns and cancellations, 2022 has provided the opportunity for treasured community events and traditions to resume. These events were so important to engage the cooperative spirit of shared work, volunteerism, and human connection within our neighborhoods. In 2022, perhaps more than ever in our lives, we needed these reconnections.

Here are just some of the highlights that come to mind from my vantage point in 2022, as Mayor:

The Annual Fair Haven Fire Department Swearing-In ceremony, Easter Egg Hunt, Baseball Parade and Opening Day for Little League, the Daddy/Daughter and Mother/Son Dances, Memorial Day ceremony, two "Meet the Mayor" days at Sickles School, the March Madness Teachers vs. Students Basketball Game at RFH, Fair Haven "Mayor for the Day" PTA Auction, Fair Haven Fireworks, the Senior Luncheon at the Molly Pitcher Inn, Sickles and Knollwood Field Days, "Love Where You Live" Day, Fishing Derby and Town Wide Yard Sale, the Concert Series on the Dock, the Firemen's Fair, the Mayor's Cup Regatta at the Shrewsbury River Yacht Club, the Mayor's Invitational Ping Pong Tournament, the Compass Cares Cleanup Event in the Natural Area, The Mayor's Crawl, the ribbon cutting for the new Community Center Playground, 9/11 Moment of Silence and Stair Climb, the Kiss the Ground Movie at Bicentennial Hall, National Night Out with the Fair Haven Police, the town-wide campout, Harvestfest and the Halloween parade.

We have experienced so much together as a community. Outside of being a father to my children, a husband to my wife, and a son to my parents, being Mayor during this reawakening of the community has been the most rewarding role of my life.

With Veterans Day and Thanksgiving just around the corner, I am reflecting on our many shared blessings in Fair Haven. I just recently completed a door-to-door tour of our town, knocking on each and every home. It was an amazing exercise that was extremely beneficial. I learned so much about what is important to you, what you are passionate about, what we can improve on, and what we all can be thankful for. I met so many of you for the first time, and knocked on many doors of friends I have known for years. I met our senior community, our youth, long time and lifetime residents, new residents who were part of a COVID migration to the suburbs, and a lot of dogs. Let me emphasize again how many dogs I met.

Your feedback was overwhelmingly constructive and positive, and I heard many great ideas. The challenge to preserve and improve the town while also reducing its financial burden is an exciting task; we will get it done.

So as we get together to honor our Veterans on November 11th, and then sit down with friends and family for Thanksgiving dinner on November 24th, I ask that you take a moment to be thankful for the Fair Haven community. Be thankful for one another. Be thankful for the volunteers. Be thankful for your health. Just be thankful.

2022 was only the beginning. As holiday lights soon illuminate our Borough, our future is equally bright. We are just getting started and I look forward to all of the progress we can make together in 2023. **I am thankful to be your Mayor.**

Can You Hear Us Now!

The Borough of Fair Haven has spent several years improving our ability to communicate with our residents, on both an individual and community-wide basis. We did so by upgrading hardware and software, taking advantage of all available media options and recently promoting Betty Ann Berube to Director of Communications.

In terms of non-emergency related information, the Borough regularly informs our residents of town-related events, road closures, police updates, library information, weekly meetings, etc., through multiple information outlets. The Borough sends out a variety of information through our "Borough Buzz" which uses the Constant Contact platform for email generated newsletters. We send out a bi-monthly newsletter by both USPS and email. Other social media platforms used are the Borough's Facebook page, Borough website and Instagram. The Borough uses the NIXLE platform to send out emails and texts for emergency and non-emergency information, inclusive of a reverse 911 feature for residents who still have landlines.

The ability to effectively communicate with our residents is essential on a day to day and ongoing basis, but it is most important during times of potential or actual emergencies. Please keep in mind that this type of ongoing communication does require residents to register with the Borough, so we have your email and/or phone number in our database. You can do so by: Visiting the Borough website, contacting Betty Ann at bberube@fhboro.net or scanning this QR Code

I hope everyone enjoys the upcoming holiday season. If you have any questions or comments on any Borough related matter, feel free to contact me via email: tcasagrande@fhboro.net

Best regards, Theresa Casagrande, Borough Administrator

2022-2023 Fair Haven Community Appeal

The 69th Fair Haven Community Appeal is starting and Borough residents should have received Appeal letters in their mailbox – or will very shortly. The Appeal Officers and Trustees would like to thank our residents who supported the last appeal with a combined donation of over \$31,100 to nine organizations that serve the Fair Haven community.

The organizations we support have seen an increasing demand for services yet they continue their dedication to assisting those in our community with the greatest needs. Any donation that is made will always be put to the best possible use on behalf of Fair Haven's residents.

Donations can be made online at bit.ly/FHCAppeal2022, or via the mailing envelope provided with your Appeal letter. The Appeal is a registered 501(c)(3), operates independently of the Borough, and all contributions are tax deductible.

The Appeal consists of Fair Haven residents who volunteer their time and meet just once a year to plan the campaign. We would appreciate additional help and input, especially from our newer residents who could provide their perspective to this committee. If you are interested or have any questions, please contact us at FHCAppeal@gmail.com.

Sincerely,
2022-2023 Fair Haven Community Appeal Committee

BE A GOOD NEIGHBOR COMMITTEE

The Be A Good Neighbor Committee, with the support of Knollwood School's Superintendent McNeil and Principal Romano, are partnering with students in Knollwood's 6th to 8th grades, to provide snow shoveling services for Fair Haven's seniors and disabled residents who have no family, neighbors or others to assist them during snow events this winter.

- Former adult participants received their application forms in October. Students received their sign-up forms through the school.
- For new requests or questions call Ruth Blaser (732) 842-4228 or email Rachel Griffin at thegriffinfive@gmail.com
- The committee is also seeking adults willing to assist seniors with small chores and/or drive seniors to appointments, shopping, banking, etc.

In well-connected neighborhoods fewer lives are lost in tragedies, and people who know their neighbors are generally cheerier and healthier.

What is a Sharrow? *You may have noticed the markings that were installed in a section of River Road. You may be wondering, "What is that?!?"*

That is a sharrow. Sharrows are pavement markings that improve cycling safety on streets that are too narrow for traditional bike lanes. These markings indicate to drivers that the road is a preferred bicycle route, and that they should be prepared to share the road with cyclists. The placement of the sharrow shows cyclists where they can ride to avoid traveling in the door zone of parked cars.

Q. If I see these markings in a lane, is the lane only for bikes?

This marking is used for shared lanes; lanes that are used by bicyclists and motorists. Shared lanes are different than bike lanes which are set aside for bicyclists and are marked by a solid white line and a different symbol

Q. So, if I don't see these markings, then it's not a shared lane and bicyclists aren't supposed to be there?

No, cyclists can ride on any street except for limited access freeways and those with signs explicitly prohibiting cyclists. Cyclists are allowed on every street regardless of whether there is a marking or sign for them, unless stated otherwise.

HOLIDAY SHOPPING

Safety Tips

- Always park in a well-lit and well-traveled area.
- When you are returning to your vehicle, check to make sure no one is following you.
- Remain vigilant by avoiding distractions, such as talking on your cell phone.
- Have your keys, in hand, prior to leaving the store so you will not be delayed by fumbling and looking for your keys.
- Store purchased items out of sight. The best place is in a locked trunk.
- Don't carry large amounts of cash. Use credit or debit cards.
- **Don't resist** if someone tries to take your belongings. Try to get a good description and call 911 immediately.

"NOT HOME" for the HOLIDAYS-Safety Tips

- Lock up. Make sure every door and window in your home is properly shut and locked. Disable automatic garage doors.
- Avoid posting your whereabouts on social media. Do you really trust every one of your 274 "Friends" on Facebook?
- Put lights on a timer.
- Ask someone to pick up your mail or stop your mail. A buildup of mail is a tell-tale sign that no one is home.
- Keep valuables out of sight. Store jewelry, cash and prescription drugs in a safe. Hide larger valuables in unexpected locations.
- Set your burglar alarm.

ROAD CLOSURE REMINDER

During school days, the length of Third Street will be closed to ALL vehicular traffic between the hours of 7:30-8:45am and 2:30-3:45pm. The ONLY exceptions will be for those who reside on Third St or an adjoining street (Church St, Maple Ave, Allen St, Williams St, Cedar Ave, Country Ln). We kindly ask that these residents use the roads closest to their homes to enter/exit Third St. DO NOT enter/exit Third St from either Fair Haven Rd or Hance Rd where the crossing guards are posted during these times and barricades are erected. Thank you in advance for your cooperation and understanding.

OVERNIGHT PARKING

NO OVERNIGHT PARKING is in effect from **NOVEMBER 1ST- APRIL 1ST**

from **2:00 a.m.- 5:00 a.m.** on all Borough streets.

If you need to park a vehicle on the street during these times, please call 732-747-0991, to be put on the overnight parking list for that night. If you need an extended period of time, please come to Police Headquarters Monday-Friday 9:30 a.m.- 2:30 p.m. and fill out a request for extended overnight parking. The police will be enforcing this Borough Ordinance so please follow the procedures.

PART-TIME CROSSING GUARDS NEEDED!

Fair Haven Borough is hiring part-time crossing guards.

For further information, please come into Police Headquarters to pick up an application or contact Patrolman John Koetzner at 732-747-0241 x*329 or

PLAN BEFORE A FIRE

If a fire starts in your home, you may have as little as three minutes to escape. To be sure you and your family members get out quickly and safely, start planning and practicing your escape now!

Begin with a simple map of your home to plan two ways out of each room. Don't forget to identify a meeting place outside the front of your home. Next, practice your plan with a home fire drill. Push the test button on a smoke alarm and have everyone exit to your meeting place. School-age children should be encouraged to escape unaided in the event you can't help them. Finally, talk about how your drill went. Identify ways to improve and make a goal to have at least two a year, including one at night.

Leaf Pickup

As leaf season is upon us, please keep leaves at least 10 feet away from all storm drains to protect our streams and river.

For the safety of pedestrians, the beautification of our neighborhoods and to avoid a potential summons, please put **ONLY** your leaves to the curb 3-4 days before your assigned pick-up week, and tell your landscapers the same – refer to the Municipal Calendar or website for schedule details or call Borough Hall.

Place leaves clearly in front of your own property, not your neighbors – they will appreciate your kind consideration.

****Special Note: CONSIDER MULCHING YOUR LEAVES WITH A LAWN MOWER.** The remaining leaf piles will be significantly smaller and/or mulched leaves will help to improve the health of your lawn.
