

Dog and Cat Registration 2023

All dogs aged six months or older and all cats aged seven months or older (or with permanent teeth) must be licensed annually. All dog and cat licenses expired December 31, 2022 and must be renewed for 2023.

The 2023 fee schedule is:

Cat Neutered/Spayed	\$10	Dog Neutered/Spayed	\$15
Cat Unneutered/Unspayed	\$15	Dog Unneutered/Unspayed	\$20

Certification from a veterinarian indicating your animal was neutered/spayed must be submitted with the application unless previously provided. Please note that in order to renew or obtain a new license, your cat(s) or dog(s) must have a current rabies vaccination. Rabies vaccinations must be renewed for 2023 if the vaccination expires prior to November 1, 2023. Rabies vaccinations are effective for one year for cats and dogs vaccinated the first time. For subsequent vaccinations, a three year period applies. Unless vaccinated at the Fair Haven Rabies Clinic, a Certification of Rabies Vaccination from a veterinarian must accompany your license application. The only exception is in cases where the vaccination is still effective and a Certification of Rabies Vaccination has been previously submitted during the current vaccination period.
