**Dear Fair Haven Residents,**

As we turn the calendar, and the showers turn to flowers, hope springs eternal in the Borough of Fair Haven. Community traditions are stronger than ever while, at the same time, we embrace new events to enhance our way of life. Our resident's commitment, love, and respect for our Borough lands builds on generations who came before us and ensures future enjoyment for those who come after us.

Borough Administrator Theresa Casagrande has helped us with these efforts throughout her more than 13 years of service to the Borough. She has announced her retirement and will continue her role through June. Theresa most notably helped coordinate efforts within the municipality to address the impact of Superstorm Sandy and the COVID 19 pandemic. She served alongside two police chiefs and three mayors, remained committed to maintaining our open space and leaves us financially stable ensuring the prosperity of future generations of residents. Please join me in thanking Theresa for all that she has done for our community by sending her an email at [tcasagrande@fhboro.net](mailto:tcasagrande@fhboro.net).

I'm excited to see the micro projects progressing around town. The new sidewalks added on Ridge Road allow our residents, young and old, who live on Harding Road, Charles Court, and Oaklawn Drive to have a safer route connecting to our pedestrian passage to our schools and community destinations. It's rewarding to see the roof go up on our new Police Department, and the stabilization and revitalization of our DPW building taking form.

Who broke out their cowboy/cowgirl boots and hats for the Haven Hoe Down on March 2nd? It was a great event with delicious food, and I hope I didn't show anyone up with my dancing. Have you heard the buzz about the Fair Haven Farmer's Market? The first date is Saturday, May 25th and over 18 vendors have already been confirmed for all 7 planned dates. Stay tuned for details about our "Love Where You Live" event on Sunday, May 5th which will take place on the beautiful Third Street Trail. Finally, let's all celebrate together as we do every year at Fair Haven Day on Saturday, June 8th!

Andy B once told me, "I wish there was a way to know you were in the good old days before you actually left them." I think we are in them right now and I am honored to share these good old days with you as your Mayor.

A handwritten signature in black ink that reads "Josh".

## LET US NOT TAKE GRANTS FOR GRANTED

Over the past thirteen years, the Borough of Fair Haven has been awarded \$8,766,420 in grant funding. These grants came from a combination of Federal, State, and County agencies. To put the \$8,766,420 of grant funding into perspective, keep in mind that in this year’s 2024 budget, the Borough is raising a total of \$8,077,883 in local municipal taxes. Through the years, this cumulative and very respectable grant funding total has provided a good deal of relief to Fair Haven taxpayers, while also helping to fund two waterfront property acquisitions, as well as substantial capital improvements all around town.

Arguably, it is fair to say that the source of all governmental grant funding does come from the taxpayers at large; however, it takes a good deal of time, effort, and professional resources to apply for and manage grant funding. Here in Fair Haven, we have managed to secure these grant funds without utilizing the services of outside professionals, because we have been very fortunate to have an outstanding staff and a very engaged and supportive Governing Body. I want to recognize the skillset, dedication, and professionalism of Borough Engineer, Rich Gardella, Assistant Engineer, Nick Poruchynsky, Borough Clerk, Allyson Cinquegrana, Chief Financial Officer, Colleen Lapp, Assistant CFO, Nancy Britton, Director of Communications, Betty Ann Berube, and Director of Parks and Recreation, DJ Breckenridge. I would be remiss if I didn’t also recognize Police Chief Joe McGovern, for the outstanding job that he has done securing millions of dollars in FEMA funding over the years, which was another source of much needed tax relief for our residents. It should be noted that I have never taken their collective and ongoing support for granted, especially during the many times that we worked collaboratively on grant submissions!

In closing, I wish everyone a very happy and healthy summer season, which we all know will fly by, as it always does. If you have any comments, questions, or concerns, feel free to contact me at my office by calling 732-245-0241, or via my Borough email account, [tcasagrande@fhboro.net](mailto:tcasagrande@fhboro.net).

Best regards, Theresa S. Casagrande, Borough Administrator

## Fair Haven Day 2024: Celebrating Community Spirit

Fair Haven Day 2024 is just around the corner, so please save the date - Saturday, June 8<sup>th</sup> from 4PM until Fireworks - and we couldn't be more excited to celebrate our community's vibrant spirit. This year's event, sponsored by The Foundation of Fair Haven, along with the support of the Fair Haven Business Association, Rice Wealth Management, Lauren Porter of Edward Jones, Daisy Chocolates, Shea Communications, and others, promises to be a day to remember we extend our sincere thanks to The Borough of Fair Haven's Mayor, Council, and dedicated staff for their indispensable assistance in making this event possible. This outstanding event would not be possible without their support, our fantastic local businesses (please remember to shop local) as well as the many people who volunteer.

Susan Sorensen, president of The Foundation of Fair Haven, remarks, "Fair Haven Day is a celebration of our community's unity and camaraderie, where neighbors come together to create lasting memories. We have also added a new attraction this year – a fun photo booth to help capture some of these memories."

Betsy Koch, a Board Executive on The Foundation of Fair Haven and Fair Haven Borough Council President, adds, "Fair Haven Day reflects the values that make our town extraordinary – inclusivity, creativity, and a deep sense of belonging. It's a joyous occasion that brings out the best in all of us."

Join us for a day filled with fun activities for all ages, including bouncy houses, face painting, and live music featuring West End Dogs and Moroccan Shepherders. Some of the food items again will include a Brennan's picnic and Lighthouse Ice Cream, new this year, Angry Archie's Seafood with their famous lobster roll. The festivities will conclude in a spectacular fireworks display.

Please visit [www.fairhavenday.com](http://www.fairhavenday.com) for more information, how you can sponsor, volunteer and order food and beverage tickets. Sponsorships (including the River Road signs) are on sale now, food tickets sales started April 19.

### How can you help prevent STORMWATER POLLUTION?

Here are a few simple things you can do to reduce the amount of stormwater pollution.

Point roof downspouts to the yard where water can soak into the ground.

Check your car for leaks and recycle motor oil.

Prevent polluted runoff. Use pesticides and fertilizers sparingly.

Go to the car wash or wash it on your lawn where soapy water can be absorbed.

Sweep up driveways, sidewalks and roads.

Compost yard waste. It makes a great garden additive.

Never dump anything down storm drains.

## FAIR HAVEN SENIORS ARE MEETING!

*Calling all Fair Haven residents age 55 and older* to join our active and involved Senior Group.

We meet every third Tuesday of the month at 1pm in Bicentennial Hall.

A big thank you goes out to Rumson Fair Haven Tower Players for a wonderful afternoon spent enjoying "High Tea" and the very funny musical presentation of "Anything Goes". We are lucky to have so many talented performers and musicians. In April, Betty Ann Berube gave a special presentation to the Club outlining the new Brush and Leaf pickup schedules. She listened to concerns particular to Seniors and our aging population.

In May, one of our last two meetings before we break for the summer, involves a presentation on "River Cruising, is it right for you?" The Seniors Club also has a trip planned in May to Hunterdon Hills Playhouse to have lunch and see "Weekend Comedy" by Jeanne & Sam Bobrick involving two couples, two generations, and one cabin.

Back by popular demand is the year end Pot Luck Luncheon in June. Last year was a big success and we hope to continue this every year. For more information about the Club, please email us at [fairhavenseniors@gmail.com](mailto:fairhavenseniors@gmail.com)

**Our next meeting after June 18th, will be September 17, 2024. Hope to see you then and have a great summer!**

## 10 Tips for Parents of New Drivers

**Tip #1: Be the example your children need.** If *you* refrain from using a cell phone while driving, buckle up your seat belt, respect others on the road and follow the traffic laws of your state, your teenager will follow your example.

**Tip #2: Choose the appropriate car.** A newer car may have better safety features and airbags than an older model. Larger cars offer more protection in a crash and your teen may be a bit less tempted to rev the engines for a race.

**Tip #3: Practice makes a (nearly) perfect driver.** No one becomes good at something after doing it for just a few hours. Your child needs at least two hours of practice driving each week for six months to reach a level of proficiency.

**Tip #4: Limit nighttime driving.** Reduced visibility at night makes nighttime driving much more challenging for inexperienced drivers.

**Tip #5: Have the impaired driving talk.** Talk with your child *before* he or she gets a license. If your teen were to consume *any* alcohol or other drugs before getting behind the wheel, they would be engaging in impaired driving. In addition to warning them about the risks of crashes and fatalities, make sure your child knows the legal and economic consequences of disobeying the law.

**Tip #6: The dangers of texting.** Hundreds of people die every month because a driver got distracted while behind the wheel. Teach your child to keep their eyes on the road and their minds focused.

**Tip #7: Prepare them for the weather.** Snow? Black ice? Heavy rains? Teach your child to know how to handle the common (and even uncommon!) situations that arise on the roads in your area.

**Tip #8: Don't drive while drowsy.** Fatigued drivers are dangerous drivers. Encourage your teen to balance their activities and get enough rest.

**Tip #9: Keep an eye on maintenance.** If your teenager knows how to test tire pressure, check essential fluids and change a flat tire, they'll be safer on the roadway.

**Tip #10: Use technology to your advantage.** Technology can allow you to monitor your teen's driving performance, to set speed alerts, radio volume limits, etc.

## HOME SECURITY:

With the warmer weather approaching, many homeowners will begin to open their windows and sliding doors to allow the fresh air into their homes. An open window or slider, especially on the first floor, is an easily accessible entry point for any burglar looking for an "easy score". Remember to close and lock these windows and doors every time you leave your home. A burglar only needs a few minutes to enter your home and steal your valuables.
