

*Dear Fair Haven Neighbors,*

It's autumn in Fair Haven! The leaves are starting to change color and pumpkins adorn our front porches. Apple cider donuts and hot chocolate have replaced lemonade stands, and campers are students again. I hope you are all enjoying the energy of our athletic competitions that has filled our town with the sounds of cheering parents and friends. This is the beautiful life we live, year in and year out, and one of many reasons we all choose to be a part of this community.

There is one new thing that is certainly noticeable this fall: shovels are in the ground. After many years of healthy debate and design, construction has begun on our Police Department and Community Center buildings on Fisk Street. Once complete, our Department of Public Works building on Allen Street will be renovated. When all is said and done, I am proud to say that we were able to rein in spending by approximately \$10 million in cost to our taxpayers by changing prior design plans of these two buildings.

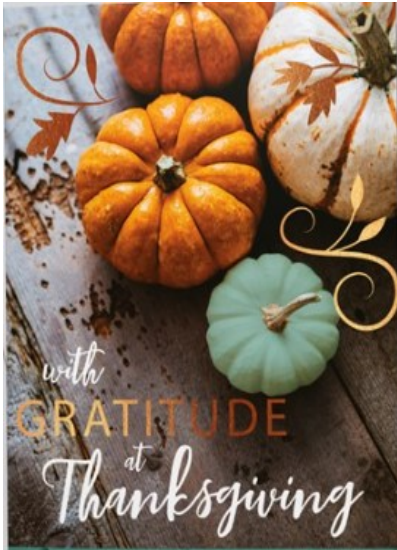

We are going to have a busy end to 2023. We will start by completing the Hance Road project. We plan to hydro-rake McCarter Pond, complete the pocket park on Grange Avenue and the municipal small craft ramp on Battin Road. We will also be replacing broken light posts on River Road while standardizing the bulbs used to light up our main corridor. We have more than 40 micro-projects underway, including new sidewalks on Harding Road and sidewalk improvements in the Historic District on Fair Haven Road and in the Gentry. We have also started addressing stormwater management and drainage in multiple locations addressing longstanding issues. We have partnered with our utilities to update their delivery equipment to many homes across the Borough. This work will also result in curb to curb restoration due to our recently approved ordinance that ensures full pavement of our roads after such repairs.

Other updates... We are close to making improvements at one of our crown jewels, Bicentennial Hall. Recently, the Historic Association hosted a well-attended Garden Party to raise substantial funds in support of this restoration effort. We are implementing new brush and leaf pickup standards, as recommended by our Brush and Leaf Committee. We are thoughtfully contemplating an acquisition of land adjacent to our municipal dock that will serve to provide additional river access to the Navesink for generations to come.

As we move closer to 2024, I always like to reflect on the past and savor the present. We have experienced so much together as a community. I am so proud to have earned the chance to represent you as your Mayor, and as I pass the two year mark in this role I hope that you all feel that I am fulfilling the promises I made to the community. If you have any feedback or feel we can improve in any way, please reach out to me.

Please join us in honoring our Veterans on November 11th. Let's be thankful for the sacrifices they made for us. When you sit down with friends and family for Thanksgiving on November 23rd, I ask that you take a moment to be thankful for the Fair Haven community. Be thankful for one another. Be thankful for our volunteers. Be thankful for your health. Be thankful.

The holiday lights will soon shine throughout our Borough, and Fair Haven's future is equally bright. We are just getting started and I look forward to all of the progress that we can make together in 2024. I am thankful to be your Mayor.

# From our Borough Administrator

Dear Fair Haven Residents,

On October 10th, I was honored to participate in the groundbreaking ceremony for the Borough’s new Police Department (FHPD) and Community Center (CC) buildings. This was a long awaited milestone for the Borough, which was the result of many years of study, hard work and collaboration. Below is an edited version of a letter that was recently disseminated to provide important information on the Borough’s new facility projects.

1. The FHPD and CC project was awarded to Hall Construction and that entire parcel is now an active construction site. Fences have been erected around the site to ensure proper safety protocols and there will be no access to or from, the park through that site. The current CC will be closed for the duration of the project to ensure the utmost safety of our residents. The Borough has identified and secured contingency meeting locations, to include Council Chambers, Bicentennial Hall, Knights of Columbus, Church of the Nativity and Board of Education spaces.

2. The DPW project, slated to take 12 months to complete, is currently in the bidding phase, with an anticipated award date in November. For safety and to allow for site improvements, the Recycling Center will be closed for the duration of the project. The DPW team will work out of the Fair Haven Fields Concession Stand location, utilizing 13 parking spaces closest to the exit at Dartmouth Avenue. The fence at DPW will remain until the site itself is reduced and a new fence is erected.

Police Department

Community Center

Department of Public Works

(colors for siding & trim for all buildings is not finalized)

We recognize the proximity of all three of these projects to Third Street and we will work closely with all contractors to ensure the safety of pedestrians and bicyclists. To further guard against the unexpected, we will implement additional monitors and patrols to ensure site safety, mitigate impacts to residents, and control deliveries of construction materials. Additionally, we are requesting support from our community in the form of the following:

- Please take time to educate our youngest family members regarding site safety. Please avoid the construction sites and follow proper bicycle and pedestrian safety protocols, by following traffic laws on the roadways and walking on sidewalks wherever available.
- Maximize use of your blue single stream recycling can to its fullest every week for all your cans, bottles, and broken down cardboard.
- If you haven’t already done so, please sign up for The Buzz (QR code provided). This will allow the Borough staff to provide you with the latest updates, especially when it may impact the circulation of cars, pedestrians, and bicycles.

### Saturday, November 25th

A red trolley will drive around town 11:00 am-4:00 pm making stops on east and west sides of town so attendees can visit local businesses.

Local businesses are owned and operated by your neighbors! ... Local businesses are more accountable to their local communities and donate more money to non-profits.

Supporting local businesses is good for the environment because they often have a smaller carbon footprint than larger companies.

On Friday, November 3, 2023, the Garden Club of Fair Haven will be holding a Flower Show titled "Seasonal Splendor" a holiday themed small standard Flower Show. It is being held in the Parish Center of the Church of the Nativity, and is open to the public from 1pm to 3pm.

Exhibits include horticulture, holiday floral designs, photography and garden education. Please come and see the entries and winners in the different categories.

The Garden Club Committees will again be decorating the large wreath which adorns the Borough Hall during the holidays, as well as updating the Borough planters throughout the town in November.

The Education/Outreach Committee, chaired by Linda Leasor and Nancy Bosco, is excited to announce the details of the annual Wreath-Making event to be held on Thursday, November 30, 2023. The event will take place in our new home, the Parish Center at the Church of the Nativity. This year there are 3 adult-only time sessions: 9:30-10:30, 11-12, and 1-2, which is limited to 20 people each session. In the afternoon, there are 2 sessions for families: 3:15-4:30 and 4:45-6:00. Space is limited to 20 families each session with one wreath per family. These afternoon sessions will include a craft which your child will make to take home.

Members of the club will be available to assist you in creating a large bow with different ribbons to choose from. There will be a large selection of natural decorations to choose from (pine cones, magnolia pods, and orange slices), plus colorful Christmas/holiday ball ornaments of all types. We will help you to arrange and attach these items. Everything is included that you will need to make and leave with a wreath ready to hang. Sign up and bring a friend and get ready to have fun getting into the holiday spirit!

The event sells out quickly, so we encourage you to sign up soon. Each session (morning and afternoon) is limited to the first 20 people who sign up. Sign-up for the event will be through 'Sign up Genius' and details regarding payment will be listed there. **YOUR SPOT IS ONLY GUARANTEED WHEN WE RECEIVE YOUR PAYMENT!**

The Juniors Program, chaired by Lata Mahbubani and Lee Davidson, will be busy helping the local Girl Scouts with projects including "Fall Leaf Art" as well as the making of holiday sun catchers.

At our Meeting on December 6, 2023, a "Paper White Workshop" will be held, during which the Horticulture Committee chaired by Elizabeth Lilleston and Lynda Vaccaro will explain the various methods of bringing the flowers into bloom.

All programs are open to the public. Please notify us of your attendance in advance via the link provided at [gcfhnj.org](http://gcfhnj.org). For more information about the Club, email Membership Chair Nancy Bosco at [nancy.bosco@verizon.net](mailto:nancy.bosco@verizon.net).

## Shade Tree Commission's 1st Resident Tree Buying Program

The Shade Tree Commission (STC) successfully launched a Resident Tree Buying Program in August. In a partnership with Fernbrook Nursery, located in Bordentown, the program gave Fair Haven residents the opportunity to purchase locally grown trees directly from Fernbrook at a negotiated price. The offering included a variety of shade trees, flowering trees, and evergreens. The price included professional planting by Fernbrook and a one-year tree guarantee.

The STC was thrilled with the results of this inaugural program. Residents chose a wide variety of trees, one of the most popular being the Fair Haven Road "favorite" Kwanzan Cherry Tree. Many Northeast native trees were also ordered including other popular picks, the American Holly and Sweetbay Magnolia. All in all, 56 trees were ordered, and the planting took place over 2 rainy days in late September.

Trees are an important part of Fair Haven's identity and a valued resource to residents. Trees have known physical and mental health benefits, increase property values, and have a significant environmental impact. The STC's mission is to protect, preserve and expand the tree canopy in the Borough. This program has allowed us to advance our mission while giving residents an opportunity to add natural beauty and value to their property, a win-win for all!

Look for the next Resident Tree Buying Program to open in Spring 2024.

### REASONS TO PICK UP AFTER YOUR PET

- Stormwater carries pet waste and other pollutants directly into waterways.
- Animal waste adds nitrogen to the water. Excess nitrogen depletes the oxygen in water necessary for beneficial underwater grasses, wildlife and fish.
- No one likes to step in pet waste and spread it into homes, cars and businesses.
- Please **DO NOT** place your pet's waste in random trash cans.
- Your neighbors will appreciate your good manners.

**It's the law!**

## PET WASTE AND WATER POLLUTION

Pet waste is carried by rain, melting snow, and ice to storm drains that empty into rivers, lakes, and the ocean. It also reaches reservoirs which supply much of the drinking water in New Jersey.

Pollution due to pet waste negatively impacts swimming, boating and fishing in these water bodies. Pet waste contains microorganisms that can cause bacterial diseases, roundworms and parasitic infections.

In addition, pet waste contains harmful levels of nutrients which promote excessive algae and plant growth. This can rob the waterbody of oxygen, potentially killing all aquatic life in the area. Such nutrient pollution also causes waters to become cloudy and green.

## Calling all Fair Haven residents 55 and older to join our active and involved SENIOR GROUP!

We had a wonderful turn out for our first meeting back in September. Donations of school supplies were collected and donated to St Anthony of Padua Catholic Church in Red Bank.

A great time was had by all at our trip and luncheon to see “A Chorus Line “at the Spring Lake Theater. In October, we had a speaker who shared information on nutrition for seniors over 55. The group also donated items to Dermer Dreams, a local charity.

Our November 14, 2023 (second Tuesday) meeting will have a speaker from our local Fair Haven Police Department, who will speak on Identity Theft, Scams and Artificial Intelligence. The FH Seniors have been invited to attend on Sunday, November 19, 2023, the RFH Tower Players presentation of “Somewhat True Tale of Robin Hood”.

In December, we again will be enjoying our Holiday Luncheon at the Molly Pitcher.

Fair Haven Seniors is open to all Fair Haven residents 55 and older. We meet monthly, every Third Tuesday at 1:00 pm in Bicentennial Hall. If interested in joining or attending our meeting, please email us at fairhavenSeniors@gmail.com.

## 2023-2024 Fair Haven Community Appeal

The 70th Fair Haven Community Appeal is starting and Borough residents should have received Appeal letters in their mailbox – or will very shortly. The Appeal Officers and Trustees would like to thank our residents who supported the last appeal with a combined donation of \$29,070 to nine organizations that serve the Fair Haven community.

The organizations we support continue their dedication to assisting those in our community with the greatest needs. Any donation that is made will always be put to the best possible use on behalf of Fair Haven’s residents.

Donations can be made online at [tinyurl.com/FHCAPPEAL2023](http://tinyurl.com/FHCAPPEAL2023), or via the mailing envelope provided with your Appeal letter. If donating online, you can allocate your donation by using the “contact the organizer” button on the main page.

The Appeal is a registered 501(c)(3), operates independently of the Borough, and all contributions are tax deductible.

The Appeal consists of Fair Haven residents who volunteer their time and meet just once a year to plan the campaign. We would appreciate additional help and input, especially from our newer residents who could provide their perspective to this committee. If you are interested or have any questions, please contact us at [FHCAppeal@gmail.com](mailto:FHCAppeal@gmail.com).

Sincerely,  
2023-2024 Fair Haven Community Appeal Committee

## BE A GOOD NEIGHBOR COMMITTEE

The Be A Good Neighbor Committee, with the support of Knollwood School’s Superintendent McNeil and Principal Romano, are partnering with students in Knollwood’s 6th to 8th grades, to provide snow shoveling services for Fair Haven’s seniors and disabled residents who have no family, neighbors or others to assist them during snow events this winter.

- Former adult participants received their application forms in October. Students received their sign-up forms through the school.
- For new requests or questions call Ruth Blaser (732) 842-4228 or email Rachel Griffin at [thegriffinfive@gmail.com](mailto:thegriffinfive@gmail.com)
- The committee is also seeking adults willing to assist seniors with small chores and/or drive seniors to appointments, shopping, banking, etc.

In well-connected neighborhoods fewer lives are lost in tragedies, and people who know their neighbors are generally cheerier and healthier.

*Thank you in advance for your support*

## “NOT HOME” for the HOLIDAYS! Safety Tips

- Lock up. Make sure every door and window in your home is properly shut and locked. Disable automatic garage doors.
- Avoid posting your whereabouts on social media. Do you really trust every one of your 274 “Friends” on Facebook?
- Put lights on a timer.
- Ask someone to pick up your mail or stop your mail. A buildup of mail is a tell-tale sign that no one is home.
- Keep valuables out of sight. Store jewelry, cash and prescription drugs in a safe. Hide larger valuables in unexpected locations.
- Set your burglar alarm.

## OVERNIGHT PARKING

**NO OVERNIGHT PARKING** is in effect from **NOVEMBER 1ST- APRIL 1ST**

from **2:00 a.m.- 5:00 a.m.** on all Borough streets.

If you need an extended period of time, please come to Police Headquarters Monday-Friday 9:30 a.m.-2:30 p.m. and fill out a request for extended overnight parking. The police will be enforcing this Borough Ordinance so please follow the procedures.

## HOLIDAY SHOPPING Safety Tips

- Always park in a well-lit and well-traveled area.
- When you are returning to your vehicle, check to make sure no one is following you.
- Remain vigilant by avoiding distractions, such as talking on your cell phone.
- Have your keys, in hand, prior to leaving the store so you will not be delayed by fumbling and looking for your keys.
- Store purchased items out of sight. The best place is in a locked trunk.
- Don't carry large amounts of cash. Use credit or debit cards.
- Don't resist if someone tries to take your belongings. Try to get a good description and call 911

**LOCK IT OR LOSE IT**

HIDE YOUR VALUABLES    LOCK YOUR VEHICLE    TAKE IT WITH YOU

**Be Smart. Stay Safe.**

- Always keep valuables out of sight or in the trunk.
- Never leave valuables in unattended vehicles.
- Always lock your vehicle.
- Notify the police of any suspicious activity.

## PART-TIME CROSSING GUARDS NEEDED

## CRIME PREVENTION

**FRAUDULENT SCAMS** - Be careful with sharing too much information on your social media accounts such as Facebook, Twitter and Instagram. You could compromise your personal security. Change your settings to allow only friends to view your information and pictures. Don't "friend" people you don't know. Be sure to change your passwords at least every six months.

**SOLICITORS** - If a solicitor comes to your door, please ask them to see their ID and permit. Never let anyone in your home and report the incident immediately as the police will know who is permitted to be in town soliciting.
