

Below are different options for the fencing on the Department of Public Works site.

Place a **yellow sticker** in the first row of the table on the material you prefer: metal, stone, or wood.
Place a **red sticker** on your favorite of the three fence designs of your preferred material.

Metal	Stone	Wood
<p data-bbox="444 676 859 720">Aluminum Slat Fencing</p>  A dark grey aluminum slat fence with horizontal slats and a gate, set against a residential background.	<p data-bbox="1401 676 1505 720">Stone</p>  A stone block fence with a stone pillar, a small tree, and landscaping in the foreground.	<p data-bbox="2111 676 2405 720">Board-on-Board</p>  A wooden board-on-board fence with a concrete foundation and a pool visible in the background.
<p data-bbox="444 1142 859 1185">Aluminum Picket Fence</p>  A black aluminum picket fence with decorative finials, running along a sidewalk.	<p data-bbox="1309 1142 1597 1185">Stone and Metal</p>  A stone block fence with a black metal picket fence section and a stone pillar.	<p data-bbox="2203 1142 2318 1185">Picket</p>  A white picket fence with decorative finials, set in a grassy area with a house in the background.
<p data-bbox="501 1604 819 1647">Steel Picket Fence</p>  A black steel picket fence with decorative finials, set in a grassy area.	<p data-bbox="1309 1604 1597 1647">Stone and Wood</p>  A stone block fence with a wooden gate and a stone pillar, set in a grassy area.	<p data-bbox="2145 1604 2376 1647">Side-by-Side</p>  A wooden side-by-side fence with a concrete foundation, set in a grassy area.
